CHOOSE READING FOR '59 MEET OF ALLIED GROUPS

The five allied orders of the GAR selected Reading as the site of their 1959 annual state encampment as they closed this year's encampment here Wednesday afternoon.

The Sons of Union Veterans elected the following officers Wednesday afternoon: Dr. Charles J. Higgs, Wilkes-Barre, commander; Edwin Kramer, Harrisburg, senior vice commander; O. G. MacPherson, Gettysburg, junior vice commander; Chester Shriver, Gettysburg, secretary-treasurer, and Charles Dern Jr., Philadelphia; James McKee, Reading, and George W. F. Hoke, Emmaus, members of the department council.

Among several resolutions adopted by the SUV was one endorsing "the proclamation of William J. Tepsic, department commander of the Pennsylvania Department of the VFW, in requesting the citizenry of our great Commonwealth to display the American flag on Flag Day, June 14; and be it further resolved that we call to the attention of all persons and business houses the displaying of the American flag on all patriotic holidays throughout the year."

Revise Bylaws

The main item of business at this year's convention was the revision of the order's bylaws. The SUV also selected 18 delegates to the national encampment to be held in Boston August 17-22. The order expressed the wish to hold their 1963 state encampment in Gettysburg in commemoration of the 100th anniversary of the Battle of Gettysburg.

The Woman's Relief Corps, auxiliary to the GAR, appointed these officers in their closing sessions: Mrs. Katie Stranigian, North East, inspector; Mrs. Minnie Dillman, Brookville, counselor; Mrs. Josephine Smith, Reynoldsville, field officer; Mrs. Ruth Henry, Johnsonburg, patriotic instructor; Mrs. Louise Bousk, Hazleton, press correspondent; Mrs. Helen Kline, Allentown, senior aide; Mrs. Florence Miller, Hazleton, secretary.

Appointed delegate-at-large to the national encampment to be held in Denver, Colo., beginning August 26, was Mrs. Edna Smith, Erie. Other appointees were: Mrs. Zena Sheldon, Erie, alternate-at-large; these delegates: Mrs. Miriam Kuhns, Allentown; Mrs. Velma Long, Corry; Mrs. Glendora Hess, Bethlehem; and these alternates: Mrs. Flossie Woodcock, North East; Mrs. Mertie Stewart, Brookville; and Mrs. Mary Robbins, Corry.

Give Flag To Scharf

Ladies of the GAR in their closing session presented an American flag and standard to Henry M. Scharf, manager of the Hotel Gettysburg, "for the use of the hotel as our convention headquarters." The order used the first floor of the Albert J. Lentz American Legion Home for their business sessions.

The Legion Home was also used by the Auxiliary to the SUV. The SUV held their sessions in the local GAR Post room, the Daughters of Union Veterans used the IOOF hall, and the Woman's Relief Corps met in the educational building of St. James Lutheran Church.

WILL HOLD FLAG DAY SERVICES

Nine Boy Scout troops of Gettysburg will hold a Flag Day program in Lincoln Square Saturday evening at 6 or 6:30 o'clock, it was announced today. Upwards of 200 Explorers, Boy Scouts and Cub Scouts from Post, Troop, and Packs, 73, 78, and 79 are expected to participate in the program.

The scouts will gather in the southeast quadrant of the square for the formal retreat of taking down the flag. Post 73 will be in charge of sounding taps. Richard Kershner is in charge of the program.

Kershner will choose one Boy, Cub Scout and Explorer from each unit to take the flag down.

This program is one of several Flag Day exercises to be held throughout the Black Walnut District by units in their respective communities. This is the first public observance of Flag Day by the scouts and it is planned to make it an annual affair.

The exact time of the service will be announced at a later date.

UAW Is Taking Strike Vote

DETROIT (AP) — The United Auto Workers Union, which has insisted it does not want an auto strike, disclosed today that it is conducting a strike vote among 100,000 Ford Motor Co. production employes.

The announcement by Ken Bannon, national director of the UAW Ford department, came less than 48 hours after two Chrysler plants in the Detroit areas asked permission of the International UAW to hold a similar vote.

It also was learned that seven General Motors locals have voted to authorize a strike and that at least 13 other GM locals have set dates for such votes.

HAIL, RAIN AND WIND LASHES TANEYTOWN

Damage ran into the thousands of dollars as heavy rain, pea-sized hail and wind, described as a "half-block wide, funnel shaped cloud," whistled through Taneytown on Wednesday afternoon at 2:45 o'clock.

Hardest hit was the firemen's carnival in the Taneytown Memorial Park, but firemen said this morning that the concession stands will be open this evening and that the parade, scheduled for Wedesday evening, will be held Friday evening at 7 o'clock. They said that all of the 40 fire companies and 12 of the 13 musical units scheduled for Wednesday evening will return for the parade.

The storm appeared to be centered over Taneytown with damage deminishing rapidly toward the north and west. Heavy rains falling for a short period flooded fields and highways, gullied other fields, flattened sections and, in some cases, entire fields of ripening barley, and left roads and streams muddied and high this morning.

The wind, which is reported to have changed directions several times, toppled the ferris wheel at the carnival causing an estimated $10,000 damage, blew tents across the grounds after snapping tent poles and up-rooting four-foot tent pins, overturned carnival trailers, and scattered prizes from the various booths.

Blow Off Roof

"Folded like a venetian blind" is the description given to the metal awning torn loose from the north and west sides of the Tropical Treat at the east end of town. The Chevrolet garage at the west end of town was without a roof this morning, it being scattered across the road and throughout the service area.

A school bus garage near the town was moved three feet off its foundation by the wind. Trees were up-rooted, limbs of older trees wrenched from their trunks and foliage scattered over a wide area.

One person reported a silo had toppled over a milk house causing damage estimated at $2,000. Some windows were broken and the roofs of some homes loosened leaving the roofing nails protruding by as much as two inches.

Electricity Is Out

Traveling south on the Taneytown Rd. one saw no evidence of the storm until reaching the Piney Creek Presbyterian Church at the

COUNTY BOARD HEARS REPORT ON ASSISTANCE

The Adams County Board of Assistance met in the assistance office Wednesday evening. Statistics on the 1957 assistance expenditures were presented by the executive director, Mrs. Donald Myers.

She reported that during the year 490 applications for assistance were received. 384 were approved.

Of those receiving assistance, 214 received old age assistance with the total number of cases in this category listed at 207 and average grant per person listed as $44.10.

In other types of assistance, the break-down is as follows: blind pension, 105 cases and persons with $59.96 as the average grant; aid to dependen. children: 98 cases, 438 persons, $25.15 average grant; general assistance: 45 cases, 102 persons, $26.61 average grant; aid to disabled: 42 cases, 47 persons, $45.11 average grant.

States Average

It was reported that the state average in number of persons receiving assistance is 2.3 per cent of the population. The Adams County figure is slightly under that average with only 1.8 per cent of the population receiving assistance.

Grants during the year totaled $379,562, being an annual per capita cost of $9.22. Of this amount, $4.78 was received from state funds and $4.44 from federal funds.

Chairman Allen S. Stauffer presided at the meeting. Members of the board attending were: Mrs. Kermit Hereter, Mrs. Donald A. Noel, the Rev. Charles E. Held, Clyde Kennedy and F. Joseph Sneeringer.

The next meeting will be held July 16.

BISHOP FUNK WILL BE BURIED ON SATURDAY

2 INJURED IN $4,150 CRASH

Two men were taken to the Warner Hospital in the York Springs ambulance after a headon collision between a car and a truck on the Harrisburg Rd. a half mile north of Heidlersburg about 10:45 o'clock Wednesday evening. State police who investigated said damage totaled about $4,150.

The injured are David R. Franz, 19, Gettysburg College student, who resides in Philadelphia, and Harry Pottorff, 67, York Springs R. 2, an occupant of the truck with which the Franz car collided.

Franz suffered a cut over the left eye, possible fractures of ribs, his right wrist and left knee. Pottorff received a cut on the right side of the head and abraisions of the right upper arm.

Police said that a 1939 model truck being driven north on Route 15 by William C. Newell, 37, York Springs R. 2, collided with the southbound Franz machine as Newell attempted a left turn onto a side road.

The Franz machine, a 1958 model Chrysler, was demolished and the loss was placed at $4,000. The truck also was demolished and the loss there was estimated at $150.

Scharf Residence Is Burglarized

The residence of Mr. and Mrs. Henry M. Scharf, Herr's Ridge, was burglarized Wednesday night by a thief or thieves who broke a window to gain entrance and then ransacked bedrooms and other parts of the home.

A color television set and some articles of clothing belonging to Mr. Scharf were stolen. The latter told state police from the Gettysburg substation that there was not any money in the house and that he could not be sure whether any jewelry was missing.

The thief or thieves ransacked bureau drawers, apparently in search of money. Clothing and other articles were strewn about the residence.

The house was unoccupied when the burglary took place. Mr. Scharf reported the case to police at 12:20 this morning.

The state police are continuing their investigation.

275 ATTEND DANCE

The Taneytown High School Alumni Association held its annual banquet and dance Saturday evening in the high school. Approximately 275 people were served a fried chicken dinner by the Taneytown Fire Co. Auxiliary assisted by a number of high school girls. James Fair, former president of the Association, served as toastmaster.

Hot weather sleeveless drip and dry cotton dresses, $5.95 to $24.95, Virginia M. Myers.

CANDIDATES FOR POSTMASTER BEING QUIZZED

Interviews and an investigation of applicants for the position of postmaster here are being conducted in behalf of the U.S. Civil Service Commission by Investigator George F. Cairns. There are 21 applicants for the position.

The matters which the Civil Service Commission chiefly considers in grading applicants are: kind, extent and success of experience; extent of public contacts and success in meeting and dealing with the public; industry, resourcefulness and initiative; community acceptability; personal attributes and the absence of disqualifying defects in character and physical condition.

Will Certify Three

"The Civil Service Commission gives careful and impartial consideration to all applicants, and certifies the names of the three highest eligibles for appointment in the classified civil service by the President, subject to confirmation by the Senate.

"The investigator is limited to ascertaining and reporting the facts and makes no recommendations as to who shall be found the highest eligibles. That decision rests exclusively with the U.S. Civil Service Commission in Washington, D. C.," Cairns said.

Summer Session At College Opens

The summer session opened at Gettysburg College Monday when 216 students were enrolled, exceeding the total for the summer of 1957. Some additional registrations were being received today. Pill From Nile Delta Plant Provides Quick Summer Tan

NEW YORK (AP) — A pill designed to help people suntan without burning will be available by prescription only.

Clinical trials of the newly developed tablet were discussed Wednesday at a press conference held by the Upjohn Co., Kalamazoo, Mich., pharmeceutical manufacturer.

The pill apparently helps most persons, even those with a fair complexion, to withstand burning, said Dr. Arthur C. Curtis, dermatologist at the University of Michigan Medical School.

The pill apparently works by strengthening the outer layer of skin and creates an internal filter which screens out burn-producing rays of the sun, reported Dr. Samuel Becker Jr. of the University of Illinois.

A pill-protected tan may in a few days exposure equal a whole summer's exposure to suntaning, Dr. Curtis said.

The sunburn inhibiting factor is an extract of a plant that grows along the Nile Delta and has been used by Egyptians and Arabians for centures as a drug, the company said.

CANVASS BY FIREMEN NETS OVER $5,000

With their annual solicitation of funds all but complete, Gettysburg firemen at their June meeting Wednesday evening at the former CCC camp devoted most of their time to completing plans for the 95th battle anniversary celebration that will open Sunday, June 29, and continue through July 5 with the annual parade on July 4.

Robert Hartman, general chairman for the celebration, reported on the progress of all phases of preparations, calling on special committee heads for other reports.

The door-to-door canvass of the community by the firemen is nearly completed and persons who have been missed are asked to send their donations to the Gettysburg Fire Department. Solicitation in the borough brought in $1,947 and the surrounding rural vicinity gave $1,705 to set a new mark. Business places have added $1,535. President Harold W. Culp praised the solicitators for the "splendid job" they have done.

Getting Extra Hose

Glenn Weishaar reported that the kitheen being constructed at the Recreation Park is nearly complete. Donald Staub announced 1,000 feet of 2½-inch hose has been ordered in line with a recommendation of the fire underwriters.

Charles W. Culp Jr., past president of the county fire police association, said that the fire police will not be able to assist on parking duties at the firemen's carnival here this year because of recently discovered rules barring previous insurance coverage for them.

New Fire Protection Idea

President Harold W. Culp discussed revision of company insurance and pointed out that since the last review the ambulance, rescue truck and ladder truck have been added to the list of equipment. A check is to be made to make certain that the firemen are fully protected in accident coverage.

The Gettysburg Shoe Company asked and received company permission to try to work out plans for a leased wire connection between the shoe factory and the engine house by which the siren at the engine house would be sounded if the plant's sprinkler system went into use. The shoe company expects insurance benefits by such an arrangement and will pay the expense involved.

It was announced that the chairman of the carnival committee and the chairmen of his sub-committees will serve as the committee for the July meeting of the firemen.

GERMAN YOUTH GUEST AT PARTY

Dietz Borowski, German exchange student at Gettysburg High School, was guest of honor at a farewell banquet given him by Boy Scout Post 73 of Gettysburg at Sanders' Restaurant, Hunterstown, Wednesday evening with twelve Boy Scouts present. S. Blaine Miller at whose home Borowski resided during his stay here was also present.

Richard Kershner, post advisor, thanked Dietz for joining post 73 and said he will be an honorary member for the coming year. Each boy in the post had his own comments for Dietz.

Borowski told about scouting in Germany and issued an invitation for the boys to visit him in Bonn. He said he has two more years of school after which he hopes to return to Adams County and possibly become a U. S. citizen.

The post presented Dietz with a scout tie clasp and cuff link set.

Kershner also said Dietz had participated in every scout activity during the past winter.

Borowski will leave for New York City June 20 where he will meet other German exchange students and go on a brief tour of the country. He will depart for Germany July 25.

Plans were discussed for the joint camping trip with Littlestown Post 84, June 20, 21 and 22 at the farm of Dr. Robert S. Lefever, Knoxlyn. There will be fishing contests and a family night.

ANNUAL MEETING SUNDAY

The annual meeting at the Huntington Friends Meeting House, near York Springs, will be held Sunday afternoon at 2 o'clock (DST) with Marshall Sutton, secretary of the Baltimore yearly meeting, to attend. Mr. Sutton will also be at the Menallen Meeting House for worship at 11 a.m. Sunday.

LOT IS SOLD

George B. and Rhoda S. Thrush, Gettysburg R. 3, have sold a lot along the Biglerville Rd. in Cumberland Twp. to John W. and Nancy L. McCleaf, also of R. 3. The sale was made by C. A. Helges and Son. Immediate possession is being given.

All summer millinery reduced one-third. Virginia M. Myers, Gettysburg.

Soustelle Called On Carpet To Quell Algerian Trouble

PARIS (AP)— Premier Charles de Gaulle called Jacques Soustelle on the carpet today in another show of his determination not to let the colonists in Algeria dictate how he runs France.

Soustelle is the political front man for the insurgent movement of army officers and French settlers who banded together in committees of public safety to keep Algeria under French control. De Gaulle wants the Moslem majority to have a full voice in running France's North African territory.

The committees inspired and directed wild demonstrations in Algeria which hoisted De Gaulle to power. But he is now trying to make them take the same vacation from politics he ordered for the National Assembly.

The premier called Soustelle back from Algiers after the military-civilian committee there demanded that De Gaulle kick party politicians out of his cabinet and delay the Algerian municipal elections he promised about a month.

De Gaulle's first response was a biting telegram to Gen Raoul Salan, his civil and military chief in Algeria who had associated himself with the insurgent committee's demands. The premier told Salan to keep out of politics and criticized him for getting mixed up in "the regrettable and intemperate incident caused by the preemptory motion of the committee."

He added that the committee's only right and role was to express the opinion of its members.

Soustelle, who eluded police surveillance at his Paris home and slipped through to Algeria May 16, is generally regarded as the real mastermind behind the movement although he holds no post on any of the committees.

DULLES WILL VISIT DE GAULLE NEXT MONTH

WASHINGTON (AP)— A flying trip by Secretary of State Dulles to confer with Premier Charles de Gaulle in Paris next month is planned primarily as a two-way fact finding mission.

Officials said today the meeting will give Dulles an opportunity to learn at first hand De Gaulle's views on a whole range of problems from the continuing crisis in North Africa to the possible summit conference.

It also will give De Gaulle a chance to find out what kind of United States cooperation and support he can expect in carrying through his program.

The State Department said Wednesday that Dulles would fly to Paris on July 5 and be back here in time to go with President Eisenhower on a visit to Ottawa three days later.

Faces Big Problems

His meeting with De Gaulle will take place against a background of worry about France's role in the western alliance under De Gaulle's leadership.

Possibly one of the most difficult problems which De Gaulle will face is that of cooperation between France and the United States in the field of atomic weapons development. France has been reported at the point of producing nuclear weapons for test purposes and De Gaulle is believed to be determined to make his country the world's fourth atomic power—along with the United States, Russia and Britain.

He may confront Dulles with a strong request for information sharing between France and the United States to the same extent that this country is able to share its atomic weapons secres with Britain under legislation now pending in Congress.

Fear Sharing Secrets

There has been considerable opposition at the Capitol to providing France with U.S. weapons know-how, because of possible security problems and of the long record of instability in the French government.

Another problem is to work out an allied policy on suspension of nuclear tests following the present U.S. series of experimental explosions in the Pacific.

Frame Question On School Merger Vote

In response to a petition from the Adams County Board of School Directors, Judge W. C. Sheely on Tuesday handed down a court order framing the question on which Upper Adams Joint School district voters will ballot in November.

The question that will be up for decision by the voters of Arendtsville, Bendersville and Biglerville boroughs and the townships of Menallen, Butler and Tyrone will read this way on the ballot:

"Do you favor the merger of the school district in which you reside with such of the following school districts in which the majority of electors voting thereon shall vote in favor of such a merger . . . (the districts of the merger are then listed) and 85 per cent of Tyrone Twp. excluding the lower 15 per cent" which excluded area is then described in the court order.

The court order also certified the question to the county commissioners for printing on the ballot at the general election.

James Larmer Wins Agronomy Award

James Larmer, 15, son of Mr. and Mrs. A. J. Larmer, Fairfield Rd., received the first prize in agronomy at the FFA convention held at Penn State University, University Park.

Larmer has just completed his sophomore year at Gettysburg High School, He has been active in the agricultural field and has received other gold and silver medals in various phases of farming.

The Larmers own two farms consisting of 154 acres and 200 acres respectively. They have eight children.

GIRL CAPTURES SPELLING BEE ON SYLLEPSIS

WASHINGTON (AP) — Jolitta Schlehuber of Topeka, Kan., today won the national spelling bee by correctly spelling "syllepsis."

Jolitta defeated Terry Madeira, 13, Elizabethtown, Pa., who stumbled on the word "propylaeum."

She misspelled it "propileum."

Under the rules of the bee, Jolitta first had to spell correctly "propylaeum" and then go on and correctly spell another word, which she did. Had she failed Terry would have been given another chance.

The word which won Jolitta $1,000 in cash, a trophy cup and $100 for a weekend visit to New York City was defined as an adjective which goes before another word and agrees with that word in number.

Get New Chance

Both Jolitta and Terry went to the final spelldown after getting a new chance at a word when judges decided there was misunderstanding in connection with pronunciation of their words.

Jolitta was in the national bee last year when she placed fourth. This is the first national bee for Terry.

The contest ended in the 29th round. It started Wednesday morning.

Terry won $500 for her second-place finish. Stanley A. Schmidt, 14, Cincinnati, won the third prize of $250.

The next five prizes were $100 each and the next 10 prizes were $50 each. The other 50 finalists, who made up the original field of 68, each won $25. All contestants were presented gold medals.

Stanley Schmidt lost out in the 26th round on the word "canaliculus." He slipped in an unneeded "o" in the last syllable.

junction of the Piney Creek and the Harney Rds. There a large limb from a maple tree had been blown across the driveway. Little evidence of the storm could be seen this morning between Taneytown and Emmitsburg although reports were received that a house east of Emmitsburg owned by Edith Long was unroofed. Electricity was reported as being off for two hours in Emmitsburg and telephone service was somewhat curtailed following the storm.

Reports from Taneytown indicated that services were stopped for only a few minutes although reportedly severed for as much as two hours in the rural areas.

The rainfall, coming rapidly for a few minutes, could not have been extensive as farmers were harvesting peas with heavy equipment this morning just south of Taneytown.

Many TV aerials were standing this morning although some had been blown from their moorings or had been twisted.

At Memorial Park, five old pine trees, standing in a row with others, were up-rooted. In wooded sections throughout the countryside, many trees were up-rooted.

Aged Methodist Leader Expires

POTTSVILLE, Pa. (AP) — Funeral services will be held Friday for Garrett T. Burd, 95, of Pottsville, a well-known lay leader of the Philadelphia Methodist Conference.

Burd, who died at a hospital Wednesday, was known as "Mr. Methodist" in the northwest district of the conference.

REVEALS 1955 MARRIAGE TO FRENCH WRITER

By BOB THOMAS

HOLLYWOOD (AP)—"I've been in love seriously only once. I fell in love with him when I fell in love with Paris."

These words, spoken when Suzy Parker was film-making here, shed some light on her secret marriage to French journalist Count Pierre de la Salle.

In New York Wednesday night, De La Salle, through an attorney, issued a statement saying they are happily married, and have been since 1955. He said "it was Hollywood press agents who suggested that it be kept secret so that it might advance her career."

Miss Parker registered at a St. Augustine, Fla., hospital as "Mrs. Pierre la Salle" after an accident in which her father was killed. She had suffered fractures of both arms. The count, visiting her there, said at first they were not married.

Describes Paris Lover

Miss Parker in Hollywood had described her Paris lover as "a Frenchman and unmarried."

"I think you can love a man more when you aren't married to him," she said once. "I doubt if I shall ever marry."

Drive and independence come naturally to Suzy, born in San Antonio to a long-time Texas family. She boasted that her grandmother was a deputy sheriff who could flick a cigarette ash with a bullet at 20 paces.

Reared in Pomona Springs, Fla. she followed her famous sister, Dorian Leigh, into New York modeling. But she hated the tedious work and went to Europe as a photographer. She returned to modeling only when broke — when the Treasury Department cracked down on her. She had refused to pay income taxes while abroad because "taxation without representation is tyranny."

Has Strong Views

Suzy who is 25, has strong views. Such as:

Drinking—"I believe the senses were created to be enjoyed, and drinking dulls them."

Smoking—"Most women smoke to give them something to do with their hands."

Suzy Parker—"I talk too much for most men."

M'ELROY CALLS FOR PEACETIME U. S. SACRIFICES

CAMBRIDGE, Mass. (AP)—Defense Secretary Neil McElroy predicted today the United States may be forced to take drastic steps to keep ahead in the cold war even if it means a more Spartan life for the people.

Great peacetime sacrifices may, and probably will, be called for, McElroy said in a speech prepared for the Commencement Day meeting of the Harvard Alumni Assn.

"Certain it is," he said, "that the test of our social order is the most serious we have ever faced. It is based not alone on the making of arms, but on a truly phenomenal economic and industrial growth in the Soviet Union, plus an equally prodigious development in the field of education. In all of these areas, Russia reached the position she is in today because she worked harder at it."

U. S. intelligence services estimate that by 1962 the growing Soviet economy will be producing half of what we do now, McElroy said.

Parents To Contribute

"It's what she does with her output that's important. For instance, less than half of it gets into the hands of the Soviet citizen in the form of consumable goods and services. By contrast, over two-thirds of our total production reaches the consumer," he pointed out.

"Parents will have to contribute more money—through taxes or contributions—for the kind of educational program the country needs," he said. "I anticipate we may have to put from 50 to 100 per cent more money in the broad field of education than we are now allocating."

MUST DEFEND OUSTER CLAIM

PHILADELPHIA (AP) — The U.S. Circuit Court of Appeals ruled today that Federal Judge John W. Murphy of Scranton must show cause why he should not disqualify himself at the forthcoming trial of Rep. William J. Green, Jr., Philadelphia Democrat.

The ruling was by all seven judges of the court.

Green, chairman of the Philadelphia Democratic City Committee, is charged with conspiracy to defraud the government. The alleged fraud involved irregularities in the building of the 33 million dollar Tobyhanna Army Signal Corps depot near Scranton.

Green's trial is scheduled to start before Judge Murphy on July 15.

Green asked Judge Murphy to disqualify himself from presiding on the ground that he and the judge have long been friends. Green argued that Judge Murphy would go to an extreme to show that he was not favoring such a friend.

Wedding

Miss Carol Jean Luebbert, daughter of Mr. and Mrs. Joseph A. Luebbert, Utica, N. Y., became the bride of Charles Edmund Baker, son of Mr. and Mrs. Guy A. Baker Sr., Emmitsburg, Saturday at 11 o'clock at a nuptial mass in Our Lady of Lourdes Church, Utica, N. Y. The Rev. James F. Collins officiated.

The church altar was decorated with stephanotis and carnations. Prof. Albert Bowen was the organist.

The bride, given in marriage by her father, wore a white lace and tulle fashioned gown with a modified Sabrina neckline sprinkled with sequins, long pointed sleeves and full skirt with diagonal lace inserts. Her fingertip veil fell from a queen's crown of seed pearls. She carried a bouquet of tinted pink carnations with ivy and an orchid center.

MR. AND MRS. BAKER

Mrs. Harry F. Buteux, Syracuse, N. Y., and sister of the bride, served as maid of honor. She wore a ballerina length gown of shell pink organza with princess line and off the shoulder neckline. Her headpiece was a pleated bow of the same material with a nose veil. She carried a bouquet of blue dasies with ivy .

Serve Wedding Breakfast

Miss Elizabeth Palewski, Miss Sherry Ryan and Miss Lois Murphy, all of Utica, served as the bridesmaids. They wore gowns and headpieces identical to that of the maid of honor in turquoise.

Guy A. Baker Jr., Emmitsburg, brother of the groom, served as best man. The ushers were Robert C. Gelwicks and P. Allen Stoner, both of Emmitsburg, and Harry Buteux, Syracuse, N. Y.

The bride's mother was attired in dress of dusty rose mousseline de soie eyelet with matching hat of velvet trimmed with French imported flowers. She wore a corsage of white orchids. The groom's mother wore a sheer navy dress with white accessories. She wore a corsage of white roses and stephanotis.

Immediately following the ceremony a wedding breakfast was held at the "Towne House." The couple will reside on W. Main St., Emmitsburg.

The bride is a graduate of Utica College of Syracuse University and is employed by Mohawk Airlines, Inc. The groom is a graduate of St. Joseph High School and at present is attending Mt. St. Mary's College.

REP. WALTER WALKS OUT ON EATON CONFAB

WASHINGTON (AP) — Chairman Francis E. Walter (D-Pa) of the House Committee on Un-American Activities said today he walked out of a conference with Cyrus Eaton because Eaton's comparison of the United States and Hitler's Germany "was too much for my stomach."

Walter declined comment on reports that the meeting with the Cleveland financier turned into a loud fist-waving session Wednesday.

The committee chairman said Eaton sought the conference — "He thought it would be nice if we all sat down and met each other."

Says Eaton Understands

Walter noted that a subpoena had been issued for questioning Eaton about Eaton's assertions in a May 4 television interview that the FBI and some other federal agencies engaged in "snooping, informing and creeping up on people."

"The question of whether it will be served will be disposed of after members of the committee are informed of what took place yesterday," Walter said.

Eaton, the committee chairman said, "understands how I feel about a lot of things" as a result of the closed-door meeting.

Alleged Snooping

Walter told a reporter he gathered that Eaton thought that by having the informal discussion with Walter, Rep. Gordon Scherer (R-Ohio) and Richard Arens, committee staff director, a formal appearance before the committee might be made unnecessary.

Eaton was not immediately available for comment. He has said, however, that he would "be delighted to appear before any congressional committee for a serious discussion of the federal secret police and intelligence agencies, and the effects, as I see them, of their subrosa activities on the freedom guaranteed to the citizens by the Constitution and the Bill of Rights."

Asked about what was discussed at the informal committee meeting Wednesday, Walter said Eaton told the group that in talking about "a Gestapo" he didn't mean to limit his criticism to the FBI but applied it to all government agencies. He said Eaton specifically alleged snooping by the Interstate Commerce Commission and the Securities and Exchange Commission.

HOLD FAREWELL FOR ATTINGER

The executive committee of the Adams County Agriculture Extension Association held a farewell meeting for Fred Attinger, associate county agent, who leaves for his newly-appointed post of county agent in Venango County Saturday. Approximately 45 were present at the affair Tuesday evening in the Biglerville grade school cafeteria.

Miss Ruth Gordon, summer assistant to Mrs. Helen Tunison, associate home economist, was introduced by Mrs. Tunison, and Duane Duncan, new associate county agent, was introduced by Frank H. Zettle, county agent.

The executive committee will conduct a general farm tour to Beltsville later in the summer. The committee appointed by President Howard Waybright includes: H. Russell Grove, Mrs. Emory Gitt, Mrs. B. E. Benner, Stuart Lucbaugh, Francis Weikert.

The possibility of constructing an extension building for meetings and displays at the South Mountain Fairgrounds was discussed and tentative plans were drawn to be submitted to the fair board.

County Superintendent of Schools C. P. Keefer, George King and Attinger spoke briefly.

"My family and mysif certainly enjoyed our stay in Adams County for the last seven years. It has been an enlightening experience. The cooperation and assistance received from everyone was greatly appreciated, particularly the assistance from my co-workers, M. T. (Dutch) Hartman and Frank Zettle. Their help greatly aided in preparing me for the tasks that lie ahead," he said.

COMPLETES TRAINING

Pvt. James E. Hall, son of Clyde W. Hall, Orrtanna R. 1, recently completed eight weeks of advanced artillery training at Fort Chaffee, Ark.

Hall entered the Army in January, 1958, and completed basic combat training at Fort Knox, Ky.

The 23-year-old soldier was graduated from Gettysburg High School in 1952 and from Shippensburg College in 1957.

Today's Talk

THE FACULTY OF EFFORT

None of us would get very far on our way if we made no effort to get started. Effort is a mighty force if used, and it has to be used or nothing is accomplished. Effort is the kindling to the fire that enthusiasm builds in order to get well started on one's way toward success. Behind all great effort are those dreams, those hardships and temporary failures. But with the instillation of courage, faith, and increasing incentive, the faculty of effort is greatly enlarged, making it serve all useful enterprises, stimulating them and putting permanence to them.

"Taking the plunge," as the saying goes, makes most of us hesitate until we feel that the effort is an essential. Then it takes no great amount of determination and decision to put us in orbit! This faculty of effort must continually be enriched and made continually healthier. It must keep growing with us, and we must spread the idea, for what can be accomplished wthout an inspired effort?

At this time, when all is so uncertain and we just don' know what course to take, we can always decide to do something constructive, and spread it out, feeling in the heart that all will be well. Haven't we had tough times before? Isn't freedom worth saving, not only for ourselves but for all parts of the world? The best possible method for paving the way for peace and friendly commerce one with the other, is to start now to be friends, not enemies later! We need to use that faculty of effort, bequeathed us by our patriot fathers.

Tomorrow Mr. Adams will talk on the subject: "Dedications"

Just Folks

DUB'S BOOK OF GOLF

I do one nine in forty-three,
The second one in fifty-five;
If I am putting cleverly
I find that I am off my drive.
I wish some angel good would tell
My troubled golfing spirit whether
I'l ever handle all clubs well
And get two decent nines together.

Whene'er I make a perfect drive
And get two hundred down the lot,
Why should I spoil a four or five
By messing up my second shot?
Though I may use the wooden clubs,
I'm doomed to linger with the mutts—
Fit company alone for dubs.
My average is still three putts.

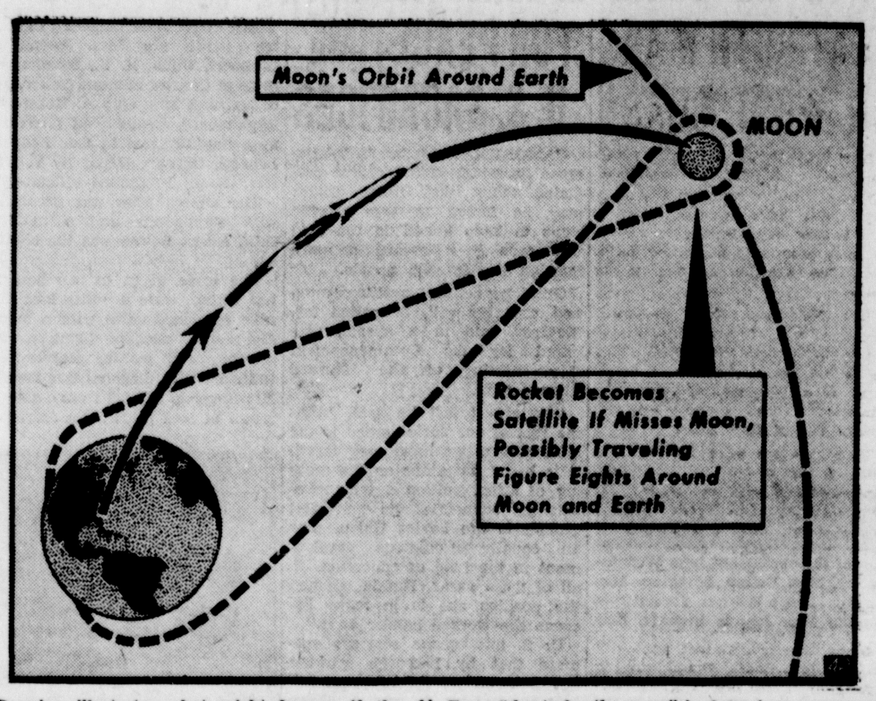
How Rocket Might Shoot To Moon



Drawing illustrates what might happen if the Air Force "shoots for the moon" in August, as announced by Lt. Gen. S. E. Anderson, director of Air Research and Development Command. If a three-stage rocket should reach the moon, it would involve 278,000-mile course taking an estimated two and a half days. If rocket should miss the moon, Gen. Anderson pointed out it would become a satellite, its elliptical orbit carrying it far out into space, possibly around moon and earth in a sort of figure-eight route. (AP Wirephoto)

TURNER, HART CLASH TONIGHT

PHILADELPHIA (AP) — The ring-wise but perhaps fading veteran meets the impressive rookie tonight when Gil Turner and Garnet Hart clash in a scheduled 10 round fight of ranking welterweights.

The battle, postponed from Tuesday because of rain, should answer a pair of questions. Is Turner at 27 on the way down? Is Hart, 22, on the way up to big money and championship stuff?

Hart spent the past two days in light workouts after tipping the scales at 147 pounds at Tuesday's weigh-in. Turner had to work harder after scaling 150½.

Hart remained a 7-5 favorite over his onetime sparring mate.

Turner's record is 55-17-1 with 35 knockouts. Hart is 25-3-1 with 20 knockouts. The National Boxing Assn. ranks Hart the No. 4 man in the welterweight division behind champion VirgilAkins, and Turner No. 6.

Promoter Herman Taylor barred radio or television coverage of the fight.

Eastern League

By THE ASSOCIATED PRESS

Eastern League teams will play plenty of doubleheaders the rest of this season because of postponements, but they'll have to go some to match the one Binghamton and Allentown split Wednesday night.

Both were shutouts, one was a no-hitter until the eighth, all the runs were scored on homers, and the doubleheader was over in under four hours.

Allentown won the opener, 1-0, on John Zimmerman's homer in the extra eighth inning. Binghamton won the nightcap 2-0 on Leroy Thomas' two-run homer in the fourth.

Lev Spencer had the no-hitter going in the opener until the eighth when he gave up two singles. The loser, Leigh Lawrence, also pitched a two-hitter.

Bill Stafford and Don Nichols pitched the nightcap for Binghamton with Stafford giving up only two hits before leaving the game in the sixth with a sore arm. Nichols retired nine men in order fiveof them on strikeouts.

Reading and Springfield also split a doubleheader with Reading winning the opener, 8-4, and Springfield the nightcap, 4-3. The other two games, Albany at York, a doubleheader, and Lancaster at Williamsport, were rained out.

Tonight's games:
Allentown at Binghamton
Lancaster at Williamsport
Albany at Reading
Springfield at York.

Larsen Wins Nine, Finishes Only Three

NEW YORK (APP(—Don Larsen, the big "perfect game" righthander of the New York Yankee pitching staff, has the longest winning streak in the majors with nine—but he has only three complete games in the string.

He won his fifth of the season, but went only 6 2-3 innings Wednesday as the Yankees won the first game of a doubleheader with Kansas City 10 - 2. Larsen, passing .500 (45-44) for the first time in his six seasons in the majors, hasn't lost since Aug. 5, 1957, in regular season play. He was 1-1 in last fall's World Series.

Claims Prisoner's Brother Gave Gifts

WILLIAMSPORT, Pa. (AP)—A federal court jury heard testimony Wednesday that a correctional officer at the Lewisburg Federal Penitentiary received gifts from a brother of a prisoner.

The testimony came from the brother, Frank Russo, New York City. The prisoner is Joseph Nicolas Russo.

Frank Russo said he sent two sport shirts and three $10 bills to Delbert L. Hunsinger, the correctional officer, because his brother said Hunsinger treated him like a human being.

Hunsinger is charged with receiving a bribe in order to let the prisoner receive phone calls.

TRAFFIC JAMS MEAN NOTHING TO THESE GUYS

LOS ANGELES (AP — Donn Reed and Max Schumacher are two guys who don't mind cruising the tangled Los Angeles freeways during rush hours.

They fly over the traffic jams in a helicopter.

Since January, they have been patrolling the spiderweb of highways for a local radio station, breaking into disc jockey programs with traffic reports for motorists.

Promptly at 7 each workday morning — smog or shine — they chop off from Glendale Central Airport in their white and red helicopter.

The whirlybird hovers over the interchange of sprawling Los Angeles' five major freeways. At regular intervals, announcer Reed broadcasts a report that might go like this:

"Some Congestion"

"Here is another Airwatch report from the KABC helicopter . . . Pasadena Freeway inbound . . . All traffic moving nicely . . . Some congestion at the Harbor Freeway interchange . . . But it won't slow you down to much.

"Hollywood Freeway inbound . . . An accident near the Alvarado Street up-ramp . . . A car is blocking two lanes . . . Traffic is backing up . . . Motorists are advised to pull off and use other routes to the city."

Reed and Schumacher, who pilots the helicopter, say they get a real kick when they see freeway drivers following their suggestions.

"Early one morning," says Reed, "we asked everyone tuned in to blink their lights. About half the cars beneath us did."

Breaks In With Bulletin

Sometimes, Reed and Schumacher are able to spot something more dramatic or potentially dangerous than a traffic jam. When this happens, Reed breaks into a program with a bulletin.

Once they spotted a little girl playing with a ball in the midst of whizzing traffic on the Harbor Freeway. She was too young to realize her danger.

Reed pushed the button on his microphone and shouted a warning. Several cars slowed or pulled over. Minutes later, police, alerted by Reed's broadcast, arrived and bundled the tot off.

The radio station had to wade through plenty of red tape before the Civil Aeronautics Administration and local authorities would approve the helicopter's low flights over the city.

But the battle against red tape is proving worth it. John H. Pace, the station's general manager, says the program has a waiting list of sponsors.

BOMBER WITH 4 ABOARD MISSING

PLATTSBURGH, N.Y. (AP) — A B47 Stratojet bomber with four men aboard was missing today in this northern New York area.

Plattsburgh Air Force Base said it presumed the plane was down within a 90-mile radius of its landing field. The area includes rugged mountain territory.

An extensive air search was under way.

The six-engine plane was en route from Hunter Air Force Base, near Savannah, Ga., to Loring AFB, Maine. It was one of a training flight of three planes.

Because of weather conditions over Maine, the flight was diverted to Plattsburgh AFB.

Two ships in the flight landed safely at Plattsburgh. The missing plane had not reported any trouble. It was unarmed.

Withdraw Charge Against Kentuckian

PADUCAH, Ky. (AP)—Charges of voluntary manslaughter against Forrest McAlister, Fulton, Ky., insurance man, in the slaying of a young woman at a police roadblock have been dismissed.

Circuit Judge Warren Eaton dropped the charges Wednesday after the family of the slain woman, Jewell English, 23, Paducah, asked for dismissal. The family said the trial would only cause them further grief.

They also noted that a grand jury which indicted McAlister failed to indict a Missouri state trooper, Vernon Hopkins, Hayti, Mo. Hopkins was stationed at the roadblock when shots were fired at the car in which Miss English was riding.

The roadblock was set up to catch Carl Burton, Redwood City, Calif., accused of kidnaping another Missouri state trooper.

Albany, Ga. (AP) — A garage apartment fire wiped out a U.S. airman's family of five early today.

Dead are Barbara Chapman, 27, wife of Sgt. W. E. Chapman; three small daughters and a son—Karen, 5; Sharen, 4; Billy, 2; and Susan, 11 months.

Chapman is stationed in Germany. Officials at Turner Air Force Base at once began arrangements to fly him here.

Cause of the fire was undetermined.

SEVERE STORMS HAMMER MANY CENTRAL AREAS

Late spring storms hammered central sections of the country again Wednesday night, the most severe in tornado-jittery Kansas.

A rash of tornadoes erupted in south central Kansas, with heaviest damage reported in Wichita, some 35 miles from El Dorado, which was hit a by a killer twister Tuesday night.

About 25 houses in northeast Wichita were damaged and an undetermined number of persons injured by the tornado. Other twisters were reported near Arkansas City, Newton and Wellington, all in the Wichita area.

Severe thunderstorms were reported during the early morning in sections of Kansas and Missouri. Tornadic winds also ripped into areas of western Nebraska and eastern Colorado.

The surging Wabash River threatened serious flooding in Indiana. At Peru, some 1,000 residents were ordered to leave their homes as water neared the top of a floodwall. Many streams in the north central section of the state overflowed, forcing hundreds of persons from their homes, including 1,500 at Marion, and others at Wabash, Logansport, Delphi and Lafayette.

Rain hit the eastern seaboard from Maine southward to Florida, with falls of about one inch in Danville and Norfolk, Va.

More thundershowers were forecast in the central and southern plains and through the lower and middle Mississippi Valley. Fair to partly cloudy weather was the outlook in most other parts of the country.

BUCS SMOTHER GIANTS; BRAVES TAKE TOP SPOT

By THE ASSOCIATED PRESS

Those Dodgers at last look like Dodgers. A batter gets tossed out of the game for jawin' at the plate, a runner scores from second on a two-run sacrifice flyand Don Drysdale, their young ace, finally has a complete game victory to go with eight defeats.

Except for being in last place, things are almost normal.

Drysdale, the 21-year-old righthander, went all the way for a 7-4 victory over the Phils Wednesday night, giving up nine hits, but striking out six and allowing only two earned runs.

Milwaukee, meanwhile, regained the National League lead as the Braves ended their longest losing streak since 1956 at 5 games with a 10-7 victory over the Chicago Cubs. San Francisco slipped tosecond, .005 percentage points behind, as the Pittsburgh Pirates breezed in on Frank Thomas' seven runs batted in for a 14-6 victory and the Giants' fourth loss in a row.

The St. Louis Cardinals took third, three games behind, with a 3-2, 12-inning victory over Cincinnati.

A four-run third inning did the job for Drysdale, now 3-8, and the Dodgers, once more just a halfgame behind the seventh place Phillies. The two-run sacrifice fly was a 420-foot smack by Carl Furillo with the bases loaded. Richie Ashburn took it over his shoulder in centerfield, but by the time he got back within sight of the plate, Peewee Reese was across it after a dash from second base.

Charlie Neal was tossed out for arguing a 2-1 pitch. He was the first Dodger to be ejected in Los Angeles, and Johnny Podres became No. 2 seconds later for his bellowing from the bench.

Ken Boyer's leadoff 11th homer won it for the Cards in the 12th, ending a four-inning shutout relief duel between winner Morrie Martin (2-1) and Redleg Hal Jeffcoat (3-3). Frank Robinson drove in both Redleg runs, one with his fourth homer for a 2-2 tie in the seventh.

Thomas celebrated his 29th birthday by taking the home run lead with a pair, one a grandslam, and also gaining the RBI lead. His second homer, No. 19, was his second bases-loaded shot in the majors, both off the Giants (the first was April 23, 1953), and gave the Pirates a 10-2 lead in the second inning. Vern Law won his sixth with relief help while Ruben Gomez (5-5) lost it.

The Braves blew a 5-0 lead, but nailed it with three in the seventh off losing reliever Don Elston (6-4). Unbeaten Ernie Johnson won his third in relief. Joe Adcock hit his sixth grandslam homer in the Braves' first. Andy Pafko drove in three runs for Milwaukee, singling home the tie breaker in the seventh.

South Penn Holds Exploratory Meeting

A special meeting of the five remaining schools of the South Penn Conference, Carlisle, Chambersburg, Gettysburg, Hanover and Waynesboro, was held Wednesday evening at the Peace Light Inn.

Prfo. Guile W. Lefever, president of the conference, said the meeting was of an exploratory nature in which there was considerable discussion of the future of the league.

Middletown, Hershey, Shippensburg and Mechanicsburg recently announced their withdrawal from the circuit effective in 1960.

A special meeting will be called, according to Prof. Lefever, if conditions relative to any new memberships, etc., are forthcoming.

Upper Adams Little League

The Braves pounded out an 11-7 victory over the Braves in an Upper Adams Little League game Wednesday evening at Bendersville. The game had been postponed from Tuesday because of rain.

Aftre piling up a 9-0 lead in the first four frames, the Braves were forced to battle to protect their lead as the Phillies came up with three tallies in the fifth and four in the sixth.

Osborn, the winning hurler, fanned 12. Kennedy poled two hits in four trips for the Braves while Bedford connected for two in three tries for the Phillies.

Score by innings:

Phillies	0 0 0 0 3 4 — 7
Braves	0 3 1 5 2 x — 11

Batteries: Braves, Osborn and Kennedy; Phillies, Johnson, Stauffer and Bedford.

Gettysburg Softball Loop

Table Rock went on a hitting rampage Wednesday evening to trounce Inland Container 16-7 in a softball league game.

The victory elevated the winners into a tie with the Moose while the loss was the seventh straight for the winless Inland Container outfit.

Tonight the Moose meet the News Agency at 7 o'clock and in the second game the W-L Warehouse opposes Hess Antiques. On Friday evening the VFW and Table Rock make up a postponed game at 8 o'clock.

Gettysburg Little League

Doug Appler, Lion ace pitcher, turned in a fine exhibition of pitching as he gave up one hit and pitched the Lions to a 4-0 shutout win over the Moose in a Little League contest on the Recreation Field Wednesday evening.

The Moose, who have run into a little difficulty in the last two outings, managed to draw seven walks but only one hit, a single by Ronnie Fox in the top of the fourth inning. Appler struck out eight men as he recorded his second win in four decisions.

Manager Fred Baker's outfit tallied twice in the opening inning on a single by Dan King, a walk to Jim Newman and a trio of Moose errors. They added another run in the bottom of the second when, with two out, Barry Sease line singled to left and Mike Boyer belted a single to right. Sease scored on an outfield miscue.

The Lions scored their final run in the fifth on a walk to King, a single by Schultz and King's steal home.

Gene Schultz, the team's only home-run hitter, was top man on the hitting attack with a pair of safeties in three trips to the plate. Bobby Greiner, who went the distance on the mound for the Moose, was charged with the loss, his second against two wins.

ST. LOUIS (AP)—Three hits in 19 at-bats is far from being a hot streak, but they've been enough to keep Stan Musial of the St. Louis Cardinals in the National League batting lead.

Stan, robbed of two hits by rain Tuesday, was 0-for-5 in the Cards' 3-2, 12-inning victory over Cincinnati Wednesday night and slipped to .406 for the season. But Willie Mays, batting only 1-for-19 in his last five games, was 0-for-3 as his San Francisco Giants lost to Pittsburgh 14-6 and now rests at .400.

SAYS HE COULD BEAT RUTH MARK ON WEST COAST

SAN FRANCISCO (AP)—Pittsburgh's Frank Thomas, the new National League home run leader, says he'd have a good chance of breaking Babe Ruth's record of 60 in a season if his home park were Los Angeles or San Francisco.

The 205-pound third baseman edged ahead of Ernie Banks in the round trip derby Wednesday as he hit two and drove in seven runs in a 14-6 victory over San Francisco That dumped the Giants out of first place.

Those homers were the 18th and 19th of the season for the slugging Thomas who celebrated his 29th birthday. One homer was a grand slam, only his second in seven major league seasons. Last season his homer total was just 23, and his greatest production was 30 in 1953.

11 Homers On Coast

Since the majors set up shop on the West Coast, Frank slugged five homers in Los Angeles and six in San Francisco. There the parks much more nearly suit his type of hitting than does huge Forbes Field, the home of the Pirates where he's collected only three this season.

Thomas, despite his great start, doesn't figure he can lead the league because of the big outfield at Pittsburgh where it's 457 feet to center field. The distance down the left field foul line is 365 and it's to left that Thomas usually hits.

At Los Angeles, the distance to left is just 251 with that 40-foot fence. An San Francisco it's 365 but it's only 401 to center and there's a prevailing wind to aid right-handed hitters.

Fairfield Lions League

Mummasburg nipped Fairfield 5-4 Wednesday evening at Fairfield in the only Fairfield Lions League game played.

Rain caused postponement of the Fairfield Amvets - Orrtanna game which will be played Friday evening at Orrtanna.

Wednesday's game was a thriller from start to finish and was not decided until the final out.

The winners collected five hits, two by B. Thomas. Mummasburg's four hits were scattered among as many players.

Next Monday's games include Cashtown at Amvets, and Fairfield at Orrtanna.

JULIUS BOROS IS BOOMED AT SOUTHERN HILLS

By HUGH FULLERTON JR.

TULSA, Okla. (AP)—The Boros bandwagon began rolling today as play started in the 58th National Open golf championship at sunscorched Southern Hills but the one guy who wouldn't get on it was Julius Boros.

Boros hasn't done anything sensational during the practice rounds over the rolling 6,907-yard layout. But suddenly a lot of people looked at the records and decided that the big fellow who won the title at Dallas in 1952 under the same sort of weather conditions is a contender to be feared as much as Ben Hogan.

Boros chuckles at the suggestion that he doesn't mind the heat. "I can sweat as much as anybody," he said, "but I usually play as well on long courses as short ones."

Requires Long Shots

That's the big difference. Southern Hills is a course that requires long shots and accurate ones. A player who strays off the fairways is due for trouble even though the Bermuda grass rough was cut down to a four-inch depth for the tournament.

Golfers who have played with the 218-pound slugger from Southern Pines, N. C., during the past few days say Boros has been shooting some of the finest golf of his career and has the kind of game that is just suited to the Southern Hills course.

About a half dozen players in the 162-man field scheduled to start play today were rated even with Boros.

There's Ben Hogan, who is shooting for an unprecedented fifth National Open; long hitting Cary Middlecoff, who has taken the title twice and lost a playoff last year to Dick Mayer; and a flock of former winners with Mayer at the head of the list.

Capitani Signs With Phils

Gettysburg Big Little Loop

A pitchers' duel on the part of McCleaf and Hise resulted in a 1-1 tie when the Elks clashed with the Eagles on the Rickey Weikert Memorial Field Wednesday evening in a Big Little League contest. The game was called after nine innings because no game may exceed nine innings of play in the Big Little League.

Both teams were held scoreless for five innings. The Eagles broke the ice in the bottom of the sixth when Crist and Furney drew walks and Ketterman eased a ball down third base line which remained fair at the last moment. This play scored Crist with the Eagles' lone run.

The Elks came right back in their half of the seventh to even the count. Baker and Steve Olson walked and Hartzezil was put in as a runner for Baker. Hofe then lashed out a single sending Hartzell home.

Both pitchers gave up only five walks, two being intentional for Hise, and a total of 26 strikeouts were recorded, 13 by each man. The two men that figured in the scoring also led their respective teams at the plate. Both Hofe and Ketterman collected a pair of hits.

Since the game ended in a tie, it will be rescheduled at a latter date and played from the beginning.

LONG BEACH, Calif. (AP) — Doctors say Johnny Goodman, 48, former National Open and Amateur golf champion, still is seriously ill in Long Beach Veterans Hospital.

He is suffering from a liver ailment. Goodman won the 1933 National Open and the 1937 National Amateur.

PLUSH CROWD BOOS SPLIT WIN BY GIARDELLO

WASHINGTON (AP)—Giardello and Washington society have met, but odds are steep that they'll never really be chummy.

Joey, the Philadelphia middleweight, made his bow before the capital's elite on the Shoreham Hotel terrace Wednesday night. Franz Szuzina, the Germany weightlifter who now fights for a living, appeared with Joey.

After 10 rounds of fist throwing Giardello had won his 77th victory and his third decision over Szuzina.

The black tie and evening gown audience booed the verdict as judges Harry Volkman (99-92) and Charley Buck (97-94) voted for Giardello and referee Charley Reynolds viewed it as standoff (92-92). The Associated Press agreed with the judges (99-93).

For many of the 850 socialites, diplomats, Congress members and government officials, the nationally televised charity match between the two 160-pounders was their first exposure to the gentlemanly art of self-defense.

Lack of noise was one of the things that didn't suit Giardello. "They held themselves back," he said afterward. "It wasn't like a real fight. It was just different."

Big Brothers of America really won it big, acquiring an estimated $20,000 from the benefit affair.

Sleichter Enters Hershey Tourney

HERSHEY — Lew Worsham, of the Oakmont Country Club, Pittsburgh, and Sam Penecale, of Whitemarsh Country Club, Philadelphia, have joined defending champion Skee Riegel, of the Radnor Valley Golf Club, Philadelphia, in the list of entrants for the annual Pennsylvania Open Golf Tourney to be played here on Monday, June 23.

President Eisenhower's pro, Dick Sleichter, of Gettysburg; Stan Dudas, of North Hills Country Club, and Henry E. Williams Jr., of the Berkleigh Country Club, Kutztown, have also filed their entries.

PHILADELPHIA (AP) — The Philadelphia Phillies today announced the signing of two players for their Johnson City, Tenn., farm club in the Class D Appalachian League.

They are Danny Cater, Austin, Tex., shortstop, and catcher Charles Bennett Jr., of St. Regis, Mont. Bennett, a 19-year-old who played for Montana State University, is a native of Long Branch, N.J. Cater, 18, hit over .500 in high school and also played in American Legion competition.

Capitani Signs With Phillies At "Sizeable Bonus"; Reports Saturday To Williamsport

Frank Capitani, 23, Hershey, one of Gettysburg College's all-time greats in athletics, signed a contract with the Philadelphia Phillies of the National League Wednesday afternoon in the office of Henry T. Bream, college athletic director.

The Bullet centerfielder has been assigned to Williamsport of the Class A Eastern League and will report to the team on Saturday.

Jocko Collins, Phillies' scout who signed Capitani, said that Capitani had signed at "a real sizable bonus."

Batted At .521 Clip

Capitani, who played all three major sports at Gettysburg, batted at a lofty .521 clip in 19 games during the recent season. His hits included two homeruns, five triples, seven doubles. He batted in 24 runs and stole 28 bases.

The Hershey Hurricane had also been sought by Washington, Cleveland, Detroit and the St. Louis Cardinals.

During the 1958 season Capitani was named to the District 2 NCAA all-star team. For two years he was an All-Pennsylvania selection in football by the AP. He also played two years of varsity basketball for the Bullets.

Credited with being one of the best competitors the Bullets have had in years, Capitani has received high rating from the Phillies officials as well as "Hen" Bream who said "I'm 100 per cent certain Capitani is one boy who can make it big."

TIGERS LEAVE CELLAR WITH DOUBLE VICTORY

By THE ASSOCIATED PRESS

Bill Norman had a pretty simple plan for arousing the Detroit Tigers in his managerial debut. "This is too good a club to be last," he told 'em. So they went out and jumped clear of the American League cellar by sweeping a doubleheader at Boston, where they hadn't won since last year.

The Tigers came alive with 13 hits in each half of the afternoon-night pair. Frank Lary ended the Red Sox' winning string at six with a five-hit shutout, 7-0. Then Billy Marinhit two home runs in one game for the first time in the majors for a 9-3 success Wednesday night.

Yanks Rush Ahead

The first place New York Yankees upped their lead to 9½ games again, using hits and breaks for a 10-2 and 2-1 sweep over second place Kansas City. Don Larsen won his ninth in a row over two seasons in the opener and once-beaten Bob Turley became the first to win 10 in the majors in the nightcap.

Washington plunked the Chicago White Sox into the cellar, 5-2; and Baltimore rapped Cleveland 7-4.

Frank Malzone had six of Boston's 13 hits for the day, including three doubles. He was 4-for-4 in the second game.

Kubek's First Homer

Brooks Robinson drove in three runs with two singles for the Orioles, who bagged it with five runs in the fourth. Milt Pappas won his third but tired and left after six innings Dick Tomanek (2-3) was the loser.

Russ Kemmerer (3-3) beat the White Sox with a six-hitter, retiring the last 14 in order as the Senators took fourth place. Three runs in the second did it against Bill Fischer (2-3), with Neil Chrisley's triple scoring a pair.

The Yankees clubbed 14 hits in the opener, including Tony Kubek's first homer and Yogi Berra's ninth, then won the second game when reliever Virgil Trucks walked four men and forced a run home in the ninth with two out. Turley had a two-hit shutout for seven in a nightcap duel with Ralph Terry, whose scoreless string ended at 19 innings when the Yankees scored in the seventh.

Virginia Girl In Lead At Pittsburgh

PITTSBURGH (AP) — Miss Mary Pat Janssen of Charlottesville, Va., enters the final round of the 54-hole Women's Eastern Amateur Golf tourney today holding a one-stroke lead over Mrs. Maurice Glick of Baltimore.

Miss Janssen shot a five-over-par 78 in the second round Wednesday for a 36-hole total of 154, eight over women's par, at the Allegheny Country Club. Women's par for the 6,067 yard course is 36-37—73.

Miss Glick fired a 7 on the second round to go with her opening mark of 79 for 155. Tied for third place at 157 are defending champion Joanne Goodwin of Dartmouth, Mass., and Betty Kerby of Akron, Ohio.

GAME ON SATURDAY

The Taneytown-Littlestown game of the Pen-Mar Baseball League, originally scheduled for Friday evening, has been postponed until Saturday evening at 8 o'clock at Littlestown. The postponement was agreed upon after a parade scheduled to be held in Taneytown Wednesday evening was postponed until Friday eveig due to rai.

RELEASE $200 PURSE TO BOXER

SCRANTON, Pa. (AP)—Chairman Jim Crowley of the Pennsylvania Athletic Commission has called off an investigation of heavyweight Norm Jackson's quick knockout and has released Jackson's $200 purse.

Crowley said Wednesday there was reasonable doubt whether he'd quit or couldn't continue the Tuesday night fight with Dan Hodge of New Yde Park, N. Y.

Hodge floored the Youngstown, Ohio, heavyweight for a count of nine with a hard body punch, then finished the bout in 1:12 of the first round with a left hook to the head.

Some observers felt the final punch was too light to finish Jackson. And there was some disagreement as to whether it hit him in the head.

Crowley held back Jackson's purse and ordered an investigation. But after conferring with ring officials and the club physician, he discounted the final punch and released the purse. He cited the hard body punch in his decision.

Hodge, a former Olympic wrestler and Golden Gloves champion, received his purse of about $160 immediately after the fight.

WRONG COLORED MAILBOX BRINGS $2,000 LAWSUIT

By DON ROTH

ST. LOUIS (AP) — Alphonse J. Dulle has learned the price of nonconformity—he faces a lawsuit over the color of his mailbox.

Dulle, 55, and a press room foreman for the St. Louis Post-Dispatch, moved into a swank subdivision in St. Louis county four years ago. He was one of the earliest of 28 home owners purchasing the $30,000-$40,000 homes.

Although other residents have black mailboxes with white nameplates grouped in racks at strategic points through the subdivision, Dulle put up a white mailbox with black lettering on his own post.

His individualism destroyed the serenity of Ronnie's Country Club Acres.

Sued For $2,000

Dulle recently refused a subdivision trustees' request to change the mailbox to conform. Then the three trustees filed a lawsuit asking for an injunction and $2,000 damages.

This wounded Dulle, a man with a Dutch temper. But he was even more seriously offended when his mail box was knocked down by unknown person or persons.

Dulle didn't put it up right away. For 10 weeks he picked up his mail at the postoffice. It was sort of a cold war.

But the conflict may generate more heat because of Dulle's latest step: repaired and repainted, his mailbox is up agan—its pristine white in dramatic contrast to the prevailing black.

Gets Mail Support

Publicity over the mailbox hassle has brought Dulle considerable support through the mails. But Ben Hits, one of the trustees, defends their action.

"We live in our own little world here in this subdivision," he says "Are 28 people wrong and is he the only person right in this matter?"

Hits says Dulle's relations with his neighbors are strained, and that he doesn't attend subdivision meetings or mix with his neighbors.

"I mind my own business," Dulle says.

Hits maintains Dulle's mailbox is unsightly and detracts from the beauty of the subdivision.

But Alphonse Dulle remains adament:

"It's a free country," he insists.

The Samuel Casey farm, which dates from 1740-50, is a historic place for sightseers in Saunderstown, R. I. The will of its last owner stipulates that it must continue to operate as a farm, as well as being a choice haven for sightseers.

Weddings

Norris—Altland

Miss Louise A. Altland, daughter of Mr. and Mrs. Samuel Altland, East Berlin R. 1, became the bride of W. Blair Norris, York, son of Mrs. Mary Norris, Huntingdon, Pa., at 3 p.m. Saturday in Paradise (Holtzschwamm) Union Church. The double-ring ceremony was performed by the Rev. George Clark, former Lutheran pastor of the church. Harold Hamme was soloist and Mrs. Francis Sealover, his accompanist. Mrs. Donald Eyster, Spring Grove R. 1, sister of the bride, was matron of honor. David Norris, Huntingdon, brother of the bridegroom, was best man and the ushers were Donald Eyster, Spring Grove R. 1, brother-in-law of the bride, and Gordon Beisel, York, brother-in-law of the bridegroom. Following the ceremony a reception was held at the Thomasville fire hall for approximately 125 guests after which the newlyweds left on a two-week honeymoon trip to Florida. On their return they will reside in an apartment at Spring Grove R. 1.

The bride is a 1956 graduate of East Berlin High School and is employed by the York Division of Borg-Warner Corp. The bridegroom, a 1954 graduate of West York High School is employed by the Caterpillar Tractor Co., York.

Beitler—O'Neil

Miss Margaret Elizabeth O'Neil, Gettysburg R. 5, daughter of Mrs. Margaret V. O'Neil, Chester, S. C., and James William Beitler, son of Mrs. Luther C. Beitler and the late Luther Beitler, Littlestown R. 2, were married last Friday at 7 p.m. in Gettysburg Presbyterian Church. The Rev. Robert A. McAskill, the bride's pastor, conducted the double-ring ceremony. Following a short wedding trip they will reside at Littlestown R. 2. Mrs. Beitler was graduated this spring from Littlestown High School. For the past year she has made her home with an uncle and aunt, Sgt. and Mrs. Armand F. Prosperi, Gettysburg R. 5. The bridegroom attended the Littlestown schools and is presently engaged in farming.

Little—Myers

Miss Elaine Louise Myers, daughter of Kenneth Myers and the late Mrs. Myers, Westminster, Md., became the bride of Ronald Eugene Little, son of Mrs. Virginia Little, R. 3, Gettysburg, and Edgar Little, Baltimore, last Saturday at 2:30 p.m. in a double-ring ceremony in the Westminster Methodist Church. The Rev. Harold Hodgson performed the ceremony.

The church was decorated with palms, ferns, gladioli, and chrysanthemums. Selections were sung by Mrs. Paul Leatherwood.

The bride, given in marriage by her father, was attired in a gown of French embroidered peau d'ange lace and nylon tulle over white satin, fashioned with a Sabrina neckline and a chapel length bouffant skirt. Her jewelry was a string of pearls, a gift from the groom. Her finger tip veil featured a crown of lace, sequins, and seed pearls. The bride carried a Bible, bouquet of white daisies, stephanotis, and a detachable white orchid.

Sister Is Attendant

Miss Lois Ann Myers, sister of the bride, served as maid of honor. Her gown featured an orchid taffeta skirt covered with small printed white flowers with a boat neckline and a criss-cross band and bow bustle. She wore a half-crown headband of nylon and seed pearls with a chin-length veil. She carried a white Chantilly lace and tulle fan topped with white gardenias and yellow daisies.

The bridesmaids were Dorothy Little, cousin of the groom; Virginia Schultz, and Ardene Thomas. Their gowns were of blue, pink and green, and they carried yellow fans similar to that of the maid of honor.

Cpl. Edgar C. Little, Marine Corps., brother of the groom, served as best man. The ushers were Dennis Little, R. 3, Gettysburg, brother of the groom; Richard Little, and Donald S. Weller, 314 Mary Ave., Westminster, uncle of the bride.

Reception Is Held

After the ceremony a reception for approximately 200 guests was held in the social hall, following which the couple left for a wedding trip of unannounced destination. The bride's traveling costume consisted of a blue cord sheath dress with matching jacket and white accessories. She wore a white orchid and stephanotis corsage. The future residence of the couple will be Gettysburg R. 3.

The bride is a 1957 graduate of Westminster High School and Baltimore Business College. She is presently employed as a secretary of Daniel T. Teeter, attorney at law, Gettysburg.

The bridegroom attended Gettysburg High School.

Emmitsburg

EMMITSBURG — Mr. and Mrs. Paul Keepers and Mrs. Ralph Long visited in Taneytown Tuesday evening.

Mrs. William Topper attended the graduation exercises of her brother from Taneytown High School Monday evening.

Mr. and Mrs. William Garner, Kensington, have announced the birth of a son. The Garners are former residents of Emmitsburg and Mrs. Garner is the former Betty Fitzgerald, daughter of Mr. and Mrs. Frank Fitzgerald. This is the couple's second child.

A marriage license was issued in Frederick to Frederick J. Hoff, Jr., Middletown, and Patricia Ann Wivell, Emmitsburg. The wedding will take place Saturday at St. Anthony's Shrine. Miss Wivell is the daughter of Mr. and Mrs. Roy J. Wivell.

The Chamber of Commerce will hold its annual banquet June 24 at Bucher's Restaurant.

Mrs. Robert Topper and Mr. and Mrs. Donald Stoner attended the graduation exercises of Mrs. Topper's granddaughter, Patricia Topper, daughter of Mr. and Mrs. Rodgers Topper, Mt. Airy, Monday evening. Miss Topper graduated from Mt. Airy High School and received the highest average in general excellence for four years of studies.

A Buddy Deane hop will be sponsored by the Ladies Auxiliary of the VFW on June 19, starting at 8 p.m.

The Circle X Rodeo to be sponsored by the Emmitsburg Lions Club will be held June 18 and 19 at the Civic grounds, East of town. Tickets are now on sale and may be purchased from any member of the Lions Club.

Terence Best, a junior at St. Joseph's High School, has been selected for Maryland Boys' State which will be held at the University of Maryland, June 22 to 28. He is sponsored by The American Legion Post. To be chosen for Boys' State a youth must have demonstrated leadership qualities and organizational ability in youth and student activities.

Mr. and Mrs. Leslie Peterson, Baltimore, visited Sunday with Mrs. Peterson's parents, Mr. and Mrs. Maurice Fitz.

COWBOY WANTS OLD-FASHIONED GIRL FOR WIFE

By VIVIAN BROWN
AP Newsfeatures

You can't pull the wool over the eyes of a wide-awake bachelor like Hugh O'Brien, and that's one reason why he's still looking for a wife, he says.

Quick-on-the-trigger O'Brien is just as fast spotting flaws in a girl as he is a target.

"I'm ripe for marriage," admits the handsome, rugged former athlete, champion marksman and TV personality, "but I'm afraid of it. Most women try to trick men into believing they are something they are not."

Isn't Girl Shy

Thirty-two-year-old O'Brien who plays Wyatt Earp in a TV series, claims he isn't girl shy. He dates Plain Janes, social belles, and once was really in love "with a girl who had everything" when he was in the Marine Corps. His ideal may have died with her.

"I meet lots of glamor girls They look beautiful in evening clothes and think life is one big cocktail party. I don't want to marry a hothouse flower. I want a wife who is a companion. Even if she doesn't enjoy my choice of outdoor sports, she should love me enough not to complain."

He isn't selfish, he says. The way to make a marriage last is to keep the man happy, he says, a secret most women refuse to recognize. "Keep a man happy," O'Brien says, "and he'll keep you in seventh heaven."

Gets Many Proposals

O'Brien gets lots of marriage proposals, but most fans advise him to wait, and he sure plans to do just that. "I won't say 'I DO,' he says until I find a girl I can't live without."

Wha are some mistakes husband-seekers make?

"They talk too much," he says. Girls who drink to excess invite his scorn too. "They think they are the life of the party," he says, "but who wants to marry a road show."

Tight-fitting gowns and plunging necklines are no bait for an O'Brien type either. "A man may be attracted to the obvious," he says, "for a little while, but he'll soon lose interest. A girl who is inconspicuously dressed has more chance to make a man really aware of her charms."

And if a woman doesn't respect a man, they can never make a go of marriage, one reason why he'll insist on that quality in his future wife.

"Corny as it may sound," says O'Brien, "I guess what I'm really looking for is an old-fashioned girl."

Mexican Roads Will Swap Confusion For Logic Soon

By JACK RUTLEDGE

MEXICO CITY (AP) — Confusion is the order of the day in Mexico City's street names and house numbers.

But not for long.

The Mexicans soon will install a new system so simple even the latest arriving tourist will be able to find his way around.

He'll not only know where he is but how far and in what direction he has to go to find what he's looking for.

The radical but logical system was devised by Enrique Elias True, the well-to-do owner of a heavy equipment agency. It has been patented in both Mexico and the United States.

It's already being put into effect in Acapulco and several United States cities have shown an interest.

Cabbies Confused

Mexico City certainly needs it. The current system — if there is one — is so confusing that even veteran taxi drivers get lost.

For instance, there are 20 streets named Juarez. Some streets change names five or sixtime in a mile. As to numbers — well, 324 may be just next door to 32.

The new system will end all that. It works like this:

Then center of the city, established by presidential decree in 1950, is the intersection of Tacuba, Puente de Alvarado, San Jean de Letran, and Sta. Maria la Re Redonda.

All numbers will branch from there. And they will be more than just numbers. They will represent the actual number of meters (slightly more than a yard) away from the center of the city.

Numbering Buildings

If a building is locate 357 meters away, that will be its number.

Next, the city will be divided into north, south, east and west zones. Street signs in each will be colored differently. For example, north may be purple, south gold, east blue, west red.

Thus, if the street sign is purple, and a nearby number is 1610 you're just about a mile north of the center of town.

But that not all.

The signs, about 20 by 20 inches and clearly visible, will have two arrows. The top one will be small, and will indicate the progression of numbers. If the number is 1132, and you want 1157, you follow the arrow. If you want 967, you go contrary to the arrow.

The large arrow is for traffic purposes It will indicate the direction of the traffic flow. A red arrow will mean avenues, a green arrow ordinary streets.

Under the second large arrow will be the area's zone number. Any tourist with a map showing zones can easily pinpoint his location.

Next, and very important, will be the name of the street in large letters. This is going to be a major problem—renaming streets.

Officials promise that under the new system, streets will keep their names, not change every few blocks —and no two streets will have the same name.

The street name idea goes a step further: a small block at the bottom of the street signs will give a brief biographical sketch of the person for whom the street is named.

Experts believe this new system will make Mexico's street sign and numbering system the most perfect in the world.

WORTHLESS THEFT

ELGIN, Ill. (AP) — John P. Knowles parked an old-fashioned kitchen sink he replaced with a new one in the back yard, but someone stole it.

He has made the sinknaper a sporting offer.

"If this fellow will drop around, I will gladly turn over the two antique faucets, and I won't even ask him any questions," Knowles said.

A DOG'S COMPETITION

SWAN VALLEY, Idaho (AP) — The word "mush" may soon be on the way out of the Eskimo's dictionary. Idaho snowplanes are replacing yapping dog teams for transportation in Alaska.

Swan Valley Rancher H. L. Weise, a part-time designer, already has sent three snow skimmers to Arctic regions and is preparing more. Besides being more comfortable, snow planes don't eat meat.

MISSIONARY WORK

CLINTON, Ind. (AP) — A local minister decided to make good use of his trip to the police station to pay a parking ticket. He left this sign hanging on the station house door:

"Warning! No-Parking Violation. All officers not parking their carcasses in the pews of their respective churches are going to face HELL."

Women Vying For Club Presidency

HARRISBURG (AP)—A contest was developed for the office of president of the Pennsylvania Federation of Women's Clubs.

Mrs. A. L. Leibensperger of York was nominated from the convention floor Wednesday to oppose Mrs. Earl A. Brown of Pittsburgh. Mrs. Brown was chosen by the federation's nominating committee.

Balloting for officers began this morning and closes late today. Officers are to be installed at tomorrow's closing session of the convention.

Alexander Graham Bell, inventor of the telephone, spent 35 of his summer vacations at Beinn Bhreagh (Beautiful Mountain) overlooking Baddeck Bay, Nova Scotia.

Air Force General Corrected By Boss

WASHINGTON (AP) — An Air Force general who announced planning dates for shooting rockets at the moon got a verbal wrist slap from his boss Wednesday.

Secretary of the Air Force James H. Douglas said the dates announced by Lt. Gen. S.E. Anderson "should be wholly disregarded."

Anderson, director of Air Force research and development, said at a news conference in Milwaukee Tuesday that the Air Force planned three moon shots this year, the first in August.

HONG KONG (AP) — Communist political leaders are being turned into professors as Red China further steps up political indoctrination in its universities and colleges.

Peiping radio today said large numbers of "leading members of the Central Committee and secretaries of provincial and municipal committees of the Chinese Communist party have accepted professorships."

It was the first report of high political leaders themselves taking teaching jobs.

Army Is Almost Ready To Activate Ballistic Missile

CAPE CANAVERAL, Fla. (AP) —The Army was a step closer to activating the nations first ballistic missile today after the latest apparently successful launching of a Redstone rocket.

The 63-foot Redstone, the most highly developed ballistic weapon in the U.S. arsenal, roared into space Wednesday night.

The Army says the Redstone has undergone more successful tests than any other large missile. This is the rocket that the Army hopes will be deployed in the field in the very near future—possibly late next month.

Designed as a highly mobile field artillery weapon, the Redstone has a range of about 250 miles. It can be moved quickly over great distances and fired in the field in a relatively short time.

Specially trained troops from the Army's 40th Field Artillery Missile group fired the missile for the first time May 17. The Army announced then that the accomplishment marked the beginning of the missiles operational phase.

A modified version of the Redstone played a key role in launching two Explorer satellites into orbit as the first stage vehicle for the Jupiter-C rocket.

PLANE CRASHES INTO FARM HOME KILLING THREE

PONCA CITY, Okla. (AP) — A flaming Air Force jet training plane hurtled out of a rainstorm anto an isolated farm home Wednesday night, killing two persons and possibly a third.

Authorities at the scene five miles northeast of Ponca City said the body of Mrs. Cora Harman was thrown from the house by the explosion. Bits of flesh in the area indicated there may have been two men in the craft.

Air Force investigators said the plane might have been from Vance AFB, Enid, Okla. A partially burned officer's identification card bore the name of the Vance base.

Mrs. Harman's husband, Dick, was in the farm yard driving his pickup truck into the garage when the T33 slammed into a corner of the four-room frame house about 10 p.m.

Two unopened parachutes were found in a field. Wreckage was strewn over a six-acre area.

INCREASE IN PA. GAS TAX IS FORECAST

HARRISBURG (AP) — An increase in the state tax on gasoline may be necessary to meet the cost of maintaining the nation's expanding highway system, an automobile club president said Wednesday night.

It's either that or higher local taxes, J. Maxwell Smith of the Keystone Automobile Club told a joint meeting in a nearby country club of the York and Harrisburg advisory boards of the club.

The automobile clubs long have opposed higher taxation and other revenue raising measures directed against the motorist.

Need More Money

But, Smith said, "Now is the time to think about maintenance costs."

"Our present highway system has been neglected for years insofar as normal maintenance is concerned," he said.

"We must have more money for maintenance, but where are we going to get it? A logical answer seems to be through more local taxes or additional gasoline taxes. The problem is waiting on the doorstep of the next session of the Pennsylvania Legislature."

HERO'S SON WILL ENTER DICKINSON

WESTTOWN, Pa. (AP) — Colin P. (Corky) Kelly 3rd, plans to enter Dickinson College in the fall and delay for a year a presidential invitation to enter West Point.

The invitation came from the late President Franklin D. Roosevelt after Corky's father, Capt. Colin P. Kelly, was shot down trying to sink a Japanese cruiser.

He was the first American pilot shot down in World War II. He went down with his B-17 after ordering the crew to jump.

His son was then six months old. Roosevelt wrote a letter to "the President of the United States in 1956" asking that Corky be considered for appointment to West Point as a token of the nation's appreciation for his father's heroism.

Young Kelly, just turned 18, was graduated from Westtown High School Wednesday with an outstanding scholastic record.

Japan, guided by the noise abatement rules which originated in the U. S. in 1941, is undertaking a program to eliminate unnecessary horn-honking and other noises. 300 Tokyo motorcycle policemen have been equipped with noise-measuring meters.

News Briefs

LOUISVILLE, Ky. (AP) — Earl W. Stanley, 37, was charged with strong-arm robbery in the theft of a bag of nothing. Police said he snatched a night-deposit bag from V. E. Stanfill, 49. Stanfill said he had just picked up the empty bag at a bank.

COVINGTON, Ky. (AP) — Ken Baldwin says he's open to suggestions on what to do with a $5,000 concrete swimming pool he won in a radio contest. Baldwin, 32, has a problem: he lives in an apartment.

BALTIMORE (AP) — A mother cat invaded a bird's nest, ousted the birds and settled down to have a litter of cats. Mrs. John Edward discovered the litter.

SPOKANE, Wash (AP)—Archie C. Enzler, 45, held a paint spraying gun to his ear to hear if it was working. It was. An emergency hospital steward and a doctor took turns cleaning the paint out of Enzler's ear.

RIO DE JANEIRO (AP)—President Eisenhower has proposed that the United States take the lead in promoting the common welfare of the Americas.

Eisenhower called for a reaffirmation of devotion to Pan-Americanism in a replay to a recent letter from Brazilian President Juscelino Kubitschck.

The exchange was in line with the new attention in Washington to Latin American relations as a result of Vice President Nixon's recent stormy reception in Peru and Venezuela.

LOS ANGELES (AP) — After more than four years of litigation, actress Veda Ann Borg, 43, has obtained her final decree of divorce from Andrew McLaglen, 38, television director and son of actor Victor McLaglen.

Their eight-year marriage ended in 1954 when she filed a separate maintenance action. A year ago she obtained an interlocutory decree of divorce and McLaglen subsequently obtained a Mexican divorce decree.

HOLLYWOOD (AP) — Rosalind Russell and Dean Martin are the best-dressed woman and man stars of the entertainment world.

So said the California fashion creators Wednesday night at a banquet climaxing a four-day fall showing.

Miss Russell wore an Orry-Kelly gown of pale apricot. Martin wore a cocktail suit of mohair with lapels of satin piping.

CREWE, Pa. (AP) — W. L. Dixon missed election Tuesday to Town Council by one vote — his own. He voted for the candidate who beat him.

BERLIN (AP)—The East German Communists hinted Tuesday that nine U.S. Army men arrested after their helicopter made a forced landing behind the Iron Curtain might be treated as spies.

The East German army newspaper Die Volksarmee said that Maj. James R. Zeller, Mount Joy, Pa., "and his inquisitive team have learned we... will not tolerate that our borders be overflown boldly to carry on espionage."

American officials say the U.S. helicopter, belonging to the 3rd Armored Division in West Germany, got lost in a thunderstorm Saturday and ran out of fuel.

TORONTO (AP)—Two men and a woman were listed as missing Tuesday after an explosion blew a 40-foot gash in their four-story apartment house in Toronto's North End.

Authorities said they had no idea what caused the blast which damaged the 30-year-old, 34-apartment brick building. The blast apparently originated in the vicinity of a basement boiler.

Police were investigating the possibility of a bomb. One officer said it was mysterious that the full force of the blast was all in one direction.

MONTE CARLO (AP) — Princess Grace and Prince Rainier have invited former President and Mrs. Truman to drop over Saturday night for an old-fashioned songfest—at $23.81 each and any champagne extra.

The singing will be led by Frank Sinatra and Noel Coward. The occasion is a big charity fete which the princess—who, as Grace Kelly sang with Sinatra in the movie "High Scolety"—is sponsoring for the U.N. Children's Fund.

The Trumans are vacationing on the French Riviera.

LUCERNE, Switzerland (AP) — A committee of women was organized Wednesday to oppose and listen to this men—the granting of voting rights to women.

Switzerland is the last country in Europe where only men can vote. The government wants to give women voting privileges. There'll be a referendum come autumn.

So some of the good housewives got together and cooked up a propaganda campaign against this half baked notion of votes for women.

Two of the main ingredients: If women vote like their husbands their ballots aren't needed anyway. If they vote against their husbands their ballots cancel each other.

DEATHS

By THE ASSOCIATED PRESS

PORT WASHINGTON, N. Y. (AP)—Dr. Sam Higginbottom, 83, long-time Presbyterian educational missionary and founder of an agricultural school in India, died Wednesday. He had been described as the father of modern farming in India.

BOSTON (AP)—Neil F. Agnew, 62, executive of 20th Century Fox Motion Picture Co. and associated with the film industry for more than 30 years, died Wednesday. He at one time was married to actress Arlene Francis. He was born in Grand Rapids, Mich.

HOLLYWOOD (AP)—Mrs. Jean Bello, 67, mother of the late Jean Harlow, noted actress, died Wednesday. Her daughter died in 1937.

NEW YORK (AP)—Allen Cleaton, 54, a general editor of NewsWeek magazine and veteran newspaperman, died Wednesday. He at one time was managing editor of the Richmond (Va.) Times-Dispatch and also had worked for the Washington Star, the New York Journal and Collier's magazine. He was born in Richmond.

JOHNNY MATHIS FINDS SUCCESS BITTERSWEET

By ALAN CLINE
The Associated Press

Johnny Mathis, a current juke box hero, is having an affair with success. And, as with all romances, it's not all sweet talk and happiness.

The 22-year-old San Francisco Negro has six big record hits; he sings in the best night clubs, in movies and on television. His latest Columbia album, "Good Night, Dear Lord," seems destined for a long stay in the top 10. It is a collection of religious hymns and spirituals.

His income this year is expected to top the $200,000 mark.

"This is a hard life," the handsome, slight entertainer said in an interview, "but stimulating. Physically and mentally it's very tiring, but there are some wonderful advantages to offset this.

Has New Interests

"Success is great. You have lots of fun, you meet lots of people, people you like and people you don't like, and you get a chance to evaluate them and find out if it's all worth it. It feels great."

Has success changed Johnny Mathis, a singer practically all his 22 years, but a full-time professional only the past three?

"I can't possibly be the same old Johnny," he admits, "I have new interests now. I'm living on the run.

"My ideas, my ideals and my conception of so many things have changed and in some degree it's almost as though I were a different person from the one who started out in San Francisco.

"I expected to change and I think I have. Of course when I change I always hope it's for the good."

Reflects Own Singing

Don Sherwood, a San Francisco disc jockey and TV actor who is credited with giving the tenor one of his initial breaks, calls Mathis "different . . . an awfully nice guy who reflects it in his singing."

Sherwood says Mathis has improved "9,000 per cent" since he first entered show business. "The more he does, the better he gets," the disc jockey add. Sherwood says Mathis' popularity may cool off but that he has the voice to bounce back.

Mathis has a resonant, vibrant delivery. He doodles sometimes with his lyrics, floats over a wide range and varies his pace from silky-smooth ballads to songs with a rapid tempo.

Currently Mathis limits himself to singing. His ultimate goal is acting as well.

"There's a real difference between an entertainer and just a singer . . . to be able to stay on a stage for an hour and carry the show," he remarked.

Apologized For Song

Mathis is the fourth of seven children and is devoted to his parents, Clem and Mildred.

"They gave me the background and the bringing up that was necessary for someone who was going to face all these things that I'm facing now."

He makes no secret of being a bit of a puritan. In one show at the Fairmont Hotel in San Francisco he all but apologized for singing "Let's Fall In Love," which he feels is mildly suggestive.

With but one exception—rock 'n' roll—he likes to do any type of song—religious, pops, even opera for which he had some training.

Rock 'n' roll doesn't fascinate him.

Why not? "I don't know. It just doesn't fascinate me."

JOHNSON BACKS TRADE PROGRAM

WASHINGTON (AP) — Sen. Lyndon B. Johnson (D-Tex) gave "whole-hearted support" today to President Eisenhower's House-passed reciprocal trade agreements program.

The Democratic majority leader told the Senate he hoped it will pass "this very important" measure "without crippling amendments" at the earliest possible time consistent with adequate hearings.

He spoke as the administration-backed bill hit a Republican leadership snag.

In the face of a lop-sided 317-98 House vote Wednesday to continue presidential control over tariffs for five years, Sen. William F. Knowland (R-Calif) announced he will back a move to reduce the extension to three years.

Johnson said he will ask the Finance Committee to start hearings on the earliest possible day and meet morning and afternoon to expedite action.

He added that he would recommend that the trade bill be given "the very highest priority."

NEW YORK (AP)—Tim Tam's racing days are over, trainer Jimmy Jones said today. The Calumet Farm 3-year-old star will be sent to the University of Pennsylvania for an operation on his injured ankle.

The decision was made after Jones conferred with Dr. William O. Reed, his veterinarian at Belmont Park.

"I have no hopes he'll ever race again," Jones said of the colt who won the Kentucky Derby and the Preakness. Tim Tam missed the so-called triple crown when he broke a sesamoid bone in the Belmont Stakes last Saturday and finished second.

STAMPS, Ark. (AP) — Convinced she had lost a valuable diamond ring, Mrs. Peal Elledge sifted a barrel of floor sweepings and seached every corner of her dry-goods store. After hours of hunting vainly, she opened her handbag to get a cosmetic. Guess what she saw sparkling in the bag?

LSU STIRS STATE HOUSE TO ACTION

BATON ROUGE, La. (AP) — The Louisiana House is ready to act today on a new resolution hunting opposition to segregation among state colleges after a legislative storm over Louisiana State University.

LSU President Troy H. Middleton held firm Wednesday against a new kind of attack from segregationists.

A legislative uproar was touched off in the House Monday when lawmakers found that 66 LSU faculty members had signed a Louisiana Civil Liberties Union petition against eight new segregation bills to close public schools.

The bills, backed by the powerful Joint Legislative Committee on Segregation, swept through the House later.

Angry House members summoned Middleton and five of his deans to tell what they knew about antisegregation feelings at the state's largest institution of higher learning.

Middleton departed with praise of the segregationists, who nevertheless made plans to continue the probe next week of the 66.

SUNDAY COMPETITION

CINCINNATI (AP) — A committee of the Ministerial Association of Greater Cincinnati is investigating reports that Sunday meetings of high school sororities and fraternities are cutting into church attendance.

A spokesman for the Cincinnati public schools says that some social clubs sanctioned by the schools hold Sunday afternoon meetings and that attendance at Sunday evening meetings of church youth groups might be affected.

MISSIONARIES NEEDED

NEW YORK (AP)—There are more people in New York City without church affiliation, says Rt. Rev. Horace W. B. Donegan, Episcopal Bishop of New York, than the entire populations of Arizona, New Mexico, Nevada, Utah, Idaho, Montana and South Dakota combined. Right in the big city—and not out in far-away places—is where missionary work is most needed, he said.

NAILED DOWN

BURLINGTON, Iowa (AP) — The Burlington fire department takes no chances with it 1888 firemen's helmets displayed on the wall in the clubhouse at Town Hall.

The seven head-pieces are nailed to the wall.

CASH AS CASH CAN

ALINE Okla. (AP) — The Aline Rebeccas Lodge appropriately elected Celia Cash its treasurer.

WATCH YOUR HAT

COLUMBUS, Ohio (AP) — When someone stole Safety Director Leo Phillips' new hat, he asked police to help him recover it. Police Lt. Herman Beck, one of those keeping an eye out for it, should have kept the other eye on his own.

It was stolen two days later.

PATIENCE PAYS

LYNCHBURG, Va. (AP) — For three consecutive years Dr. Eugene S. Groseclose has killed a wild turkey in the last 15 minutes of the last day of the hunting season. The turkey this year weighed 18 pounds.

HONOR STOTZ, FOUNDER OF LITTLE LEAGUE

WILLIAMSPORT, Pa. (AP) — Carl Stotz, founder of Little League baseball, was honored here Wednesday night for outstanding service to youngsters and the community.

More than 300 persons attended the outdoor ceremonies.

Several speakers took occasion to voice their disapproval of plans to turn the original Little League Stadium here over to Little League Baseball, Inc

Resigned In '55

Stotz resigned as commissioner of the Little League in 1955, claiming the corporation which controlled the organization was undermining his authority. The Little League movement began here 19 years ago.

Stotz now runs a local league known as Original League which had been using the Little League Stadium for its games. Little League uses the stadium for its annual world series.

Several weeks ago, Williamsport council voted, 4-1, to give the stadium to the Little League corporation.

Pass Out Petitions

Richard Carlson, secretary of Original League boosters, passed out petitions during last night's ceremonies claiming the transfer would deprive the Williamsport youngsters 'of the healthful and guided recreational activities conducted by Original League."

Reciprocal Trade Pacts Hit Snag

WASHINGTON (AP)—President Eisenhower's House-passed reciprocal trade agreements program hit a snag in the Senate Republican leadership today.

In the face of a lop-sided 317-98 House vote Wednesday to continue presidential control over tariffs for five years, Sen. William F. Knowland (R-Calif) announced he will back a move to reduce the xtension to three years. The House rejected a two-year limit.

The bill would give Eisenhower authority to reduce U.S. tariffs on imports as much as 25 per cent over the five-year period in return for similar concessions by other countries on U.S. exports.

Senate Democratic Leader Lyndon B. Johnson of Texas, traditionally a supporter of the trade program, said the House bill will be given top priority in the Senate.

He urged that it be preserved as a "living memorial" to Stotz.

The field was given to the city by the late Jacob Brown in honor of his brother, Max M. Brown.

Carlson said Brown's widow, now Mrs. Sarah Moyer, Harrisburg, will seek repossession of the stadium site if council does not rescind the transfer.

ALBERT STOCK GETS HIS PH.D. FROM LEHIGH U.

Albert M. Stock, son of Roy A. Stock, N. Queen St., was one of nine to be awarded a Doctor of Philosophy degree in a class of 350 persons at commencement exercises at Lehigh University, Bethlehem. Dr. Stock, a member of the Littlestown High School Class of 1949 and the 1953 Class of Gettysburg College, also received his Master's degree from Lehigh in 1955 and majored in chemistry. After spending a few days with his father, who attended the commencement exercises, he and his bride will go to Alabama, where he is scheduled to report for six months active duty in the army at Ft. McClellan. Following his army duty, Dr. Stock will be employed by Du Pont.

Class Votes $50

The Friendship Circle Class of St. Paul's Lutheran Church voted a contribution of $50 to the church building fund at the quarterly meeting held on Monday evening at the church. The program opened with the group singing the class song, "What A Friend We Have In Jesus"; hymns, "I Need Thee Every Hour" and "Abide With Me"; Scripture and prayer, Mrs. David S. Kammerer Sr.; reading, "My Garden," Mrs. Lloyd Humbert, class teacher; readings, "The Summer Night" and "A Summer Shower," Mrs. Kammerer; reports from Mrs. Paul C. Worley, secretary, and Mrs. William J. Yingling, treasurer. There was an exchange of gifts and refreshments were served during the social hour to the 21 members in attendance by Mrs. D. S. Kammerer Sr., Mrs. Howard J. Spalding, Mrs. Willis Sledd, Mrs. Paul Miller and Mrs. J. Walter Groce.

The class will meet again on Monday, September 8, and the hostess committee includes Mrs. Annie Hildebridle, Mrs. Della Collins, Mrs. Arthur Dalton,. Mrs. Aaron Miller and Mrs. Elmer Wherley.

The bi-annual recital of the piano pupils of Miss Mary Rita Redding will take place on Thursday, June 19, 7:30 p.m., in St. Aloysius Hall.

Frank Watson has sold his farm at Littlestown R. 1 to Mr. and Mrs. Irvin DeGroft, Littlestown R. 1. The sale was made through Stanley R. Sell, local real estate agent.

4-H Club Meets

The Littlestown 4-H Club held its first meeting of the season on Monday in Grace Church parish hall, Two Taverns. The girls discussed the membership and 4-H camp at Camp Tuckahoe. There were games and group singing. The leaders, Mrs. Emory Gitt, Mrs. Aaron Rohrbaugh and Mrs. Wade Brown, discusstd future meetings. Any girls aged 10 year or over, who are interested in joining the club, are invited to attend the next meeting on Monday, June 16, 1:30 p.m., at Two Taverns.

On Monday evening, the 4-H girls attended a health meeting at the Hoffman Orphanage, near town. Films were shown on water safety and artificial respiration. The group was led in singing by Miss Ruth Gordon, who is assisting Mrs. Helen Tunison, Adams County home economics extension representative, with work in that field this summer. Cookies and milk were served after the viewing of the films.

Class Meeting Held

The Ever Willing Class of St. John's Lutheran Church met on Tuesday evening, at the church, with Mrs. Harriet Boller as hostess. The meditation was taken from the Upper Room booklet and included: Scripture, Mrs. Janet Reaver; prayer, Mrs. Janice Myers; two songs by the group; readings, Mrs. Bernice Yealy and Mrs. Ruthanna Starner; reading, "What Is A Girl?" Mrs. Joan Shanebrook; reading, "What Is A Boy?" Mrs. Myrtle Leister; closing song, "Now The Day Is Over."

Mrs. Myrtle Leister, president, presided for the business session. It was decided to hold the next meeting outdoors on Tuesday, July 8, and the following committee was appointed to make the arrangements: Mrs. Betty Wisotzkey, Mrs. Janice Myers and Mrs. Shirley Renner. A group game was won by Mrs. Janet Reaver. During the social hour, refreshments were served to the group by Mrs. Boller.

Mrs. Laura Myers has returned to her home in Baltimore, Tuesday, after spending a week with Mr. and Mrs. John N. Sell and family, E. King St.

Senate Group To Give OK On Taxes

WASHINGTON (AP)—President Eisenhower's bill to extend present corporation and federal excise tax rates for another year comes up for expected approval today in the Senate Finance Committee.

Chairman Harry F. Byrd (D-Va) said in advance of the closed-door meeting he expected the committee to approve the bill, probably without any tax-cutting amendments, after hearing testimony from top administration fiscal officials.

There is strong support in the Senate for an amendment to the bill to repeal the 3 per cent excise levy on freight and the 10 per cent tax on passenger travel.

The bill would continue the corporation income tax rate of 52 per cent instead of permitting it to drop to 47 per cent July 1.

It also would continue present rates on some of the most productive excises — those on liquor, beer, wine, cigarettes, passenger cars, and auto parts and accessories.

1ST SHORTWAY HEARING SET FOR JUNE 30

HARRISBURG (AP)—The first public hearing on the western half of the Keystone Shortway will be held in Brookville June 30.

The State Highways Department said Wednesday the hearing will discuss the location and economic effects of the 19-mile section between a point on U.S. 322 in Clarion County west of Corsica to a point a mile northeast of Deemers Crossroads, near Reynoldsville, Jefferson County. The section includes a bypass of Brookville.

A hearing on an eastern section of the proposed 290-mile crossstate superhighway was held in Tannersville, Monroe County, recently.

To Start This Year

The Brookville section also includes the first section of a Pennsylvania highway to be plotted entirely through the use of aerial surveys. The department said nine miles of the section was planned through this method. It did not identify which nine miles was involved.

Lewis M. Stevens, highways secretary, said the department plans to begin construction on the section between Brookville and the Corsica area this year.

The June 30 hearing, in the high school auditorium at 10:30 a.m., will take up the location and economic effect of the highway as required by the federal government.

The Ross Ice Shelf, on which stands Little America in Antarctica, moves north at the rate of about four feet a day. The Ross Ice Shelf is about the size of California.

TWENTY REMAIN UNDEFEATED IN SPELLING BEE

WASHINGTON (AP) — Twenty spellers—survivors of a starting field of 68 — entered the final rounds today of the 1958 national spelling championship.

Twelve girls and eight boys were ready for the stretch battle in the 31st annual National Spelling Bee.

Forty-eight other area champs tripped Wednesday over words too tough for them to handle.

Thirteen states and the District of Columbia were represented by the survivors of 11 rounds on the opening day. In addition, an American boy from Norway, Thomas Patrick Whitaker, won his way to today's rounds.

Four of the 20 finalists were in last year's contest which ended in a tie between Dana Bennett of Denver and Sandra Owen of Canton, Ohio. The four repeaters still in the running were Stanley A. Schmidt, 14, Cincinnati; Richard P. Hire, 13, Fort Wayne, Ind; Jolitta Schlehuber, 14, McPerson, Kan.; and Roger W. Lewis Jr., 14, Greensboro, N. C.

Two other repeaters — Carole Lynn Cook, 13, Harrold, Tex., and Stephen Nichols, 13, Baldwin, Md. —fell by the wayside Wednesday.

The difficult words brought several narrow escapes.

Billy Don Lane, 14, of Turkey, Tex., pondered long before spelling tussel correctly in the first round. He went on to the 11th before he lost out by dropping a "p" in rapport.

In the same round, repeater Lewis had the judges looking hard for his spelling of quiddity. He spelled it with one "d", although the judges said the preferred spelling is two D's.

Robert Crossley, 12, of Center Square, Pa., was eliminated temporarily on his spelling of missile. The judges ruled there was some confusion in defining the word and he was given another chance. He remained in the running for today's final.

First prize is $1,000 in cash plus a bonus award of $100 for a weekend in New York City and a trophy.

PARIS (AP) — Premier de Gaulle bluntly told the defiant insurgents in Algeria Wednesday to quit interfering in government, and slapped down his military commander there.

A Cabinet spokesman said one decision was to invite Secretary of State Dulles to Paris to confer with De Gaulle next month.

HARD LUCK FOUR WILL BE FETED

PLAINVIEW, Tex. (AP)—Those couples who met recently with the proverbial fishermen's luck of wet posteriors and empty stomachs are going to live it up the weekend of June 20-22.

The Bo Englands and Maxwell Stones, whose trip to Lake Brownwood resulted in a series of well-publicized misfortunes, will return as guests of the Brownwood Chamber of Commerce.

That organization promised them air-conditioned cabins, use of new motor boats and fishing tackle, steak dinners, two small boys to bait hooks and four larger boys to remove fish from lines.

Their escort will be the patrolmen who stopped them for lacking a license plate. Their cars will be serviced before they leave.

On their May trip, the couples ruined a new tire and had five flats, the bumper pulled off their car, the trailer rolled into the lake, and the boat sank in 30 feet of water. The highway patrol stopped them for not having a rear license plate. It was on the bumper torn off by the trailer. Wind and rain blew down their tent and soaked their belongings and England caught pneumonia.

They caught no fish—didn't even get a bite.

HONG KONG (AP)—A festival of anti-American films is opening Saturday in Hanoi, capital of Communist North Viet Nam.

Hanoi Radio, heard here today, said more than 30 feature movies from Russia, Communist China, Hungary, East Germany and Japan are on the program.

They include a Russian picture "exposing acts of racial discrimination in the United States."

ADVERTISE IN THE TIMES

U. N. OFFICIALS ARE ORDERED INTO LEBANON

UNITED NATIONS, N.Y. (AP) —U.N. truce officials were ordered into Lebanon on the double today to guard its borders against intruders from President Nasser's United Arab Republic.

The Security Council sent the watchdog team in answer to a Lebanese complaint that the U.A.R. is sending arms and men to rebels seeking to overthrow President Camille Chamoun's pro-Western government. The U.A.R. denies the charge.

The Council Wednesday ordered Secretary General Dag Hammarskjold to organize an observation group and rush it into position to seal Lebanon's borders with the Syrian province of the U.A.R.

Hammarskjold turned to the U.N. truce chief in Palestine to borrow some observers temporarily. The first group of these officers who have been trying to keep peace along Israel's borders were due in Beirut from Jerusalem today.

Hammarskjold worked to set up a more permanent organization of both civilian and military observers for the Lebanese assignment. He was expected to appoint a three-man directing board from Norway, India and Ecuador with a Norwegian general in charge of the assistant military observers.

BERLIN (AP) — An authoritive Communist newspaper today accepted Secretary of State Dulles' reservations that negotiations for return of nine U.S. soldiers would not imply American recognition of East Germany.

A spokesman for the Red regime refused to say whether the Berliner Zeitung editorial represented official policy. But the paper usually reflects the views of the satellite government, and Allied officials in West Berlin were inclined to accept the editorial as an indication of Communist policy.

The soldiers were taken prisoner Saturday when their helicopter got lost in a thunderstorm and landed out of gas in East Germany.

DITCH CAVES IN SMOTHERING 2

PHILADELPHIA (AP)—A narrow ditch caved in Wednesday smothering two men and trapping two others.

One of the men, Donald Smith, 27, shouted a warning and jumped nearly clear as the dirt slid into the 14-foot deep ditch.

Completely buried were William Taylor, 50, and Ignatius Kane, the two victims. It took workmen more than seven hours to recover Kane's body.

Smith, whose legs were buried, suffered shock. Wilton Schofield, 28, was buried to his neck and was hospitalized with possible internal injuries.

The two-foot wide ditch was being dug for a sewer at Misericordia Hospital. A two-million dollar wing is under construction at the hospital.

LONDON (AP) — Russia accused Secretary of State Dulles today of failing to take a serious approach to Premier Khrushchev's proposal for increased U.S.—Soviet trade.

Khrushchev wrote President Eisenhower June 3 that Russia could offer a number of raw materials and industrial goods but could order more if U.S. credits were extended.

Dulles at his news conference Tuesday said, "It looks as though the Soviet Union wanted to get credits from us so that it could more successfully pursue its economic warfare against us."

"That is not a serious approach to the question, it seems to me," said a Soviet commentator broadcasting to America.

TOKYO (AP) — Conservative Nobusuke Kishi was re-elected Prime Minister of Japan today by the new lower house of Parliament. The 61-year-old leader of the dominant Liberal—Democrats defeated Socialist Moaburo Suzuki 290-162.

SHIRTSLEEVES ARE STYLE FOR 1958 SEASONS

By DOROTHY ROE
Associated Press Women's Editor

This is the year to take off your jacket and run around in shirtsleeves, says Leonard Fisher, a bachelor designer who has definite ideas about what girls should wear and why.

"Not every girl can wear the chemise blouse, any more than every girl can wear the sack dress," says this handsome young man, who designs high - priced, high - fashion blouses for one of the country's leading manufacturers.

"For fall, the overblouse is the thing to wear with suits, but it need not be loose or shapeless. The most flattering style comes just to the hipbone, and is snugly banded there. I like a standaway neckline, to give a long-necked look to the wearer and also to show her jewelry. The French-cuffed three-quarter sleeve also is important.

Uses Elastic Belt

"When I design a chemise blouse I make it with an elastic belt which may be worn at the hipline or pulled up to the waistline, giving a bloused effect."

Practically all suit blouses for fall will be overblouses of one kind or another, giving a costume effect when worn without a jacket.

Fisher predicts that double-layer chiffon blouses will be more important than ever next fall, and he also will show costume overblouses in a satin-baked wool print with a shaggy finish giving a brushed look.

For summer wear his best seller has been a V-neck over-blouse in drip-dry pique, worn as a top for skirt, shorts or bathing suit, with a turban to match.

Texas was a republic from 1836 until 1845 when it joined the United States.

FATHERS ENJOY A WEEKEND AT COLLEGE PARTY

By VIVIAN BROWN
AP Newsfeatures

Are you a Real Dad or a Slouch?

You can tell which by whether you accept an invitation to be daughter's date for a weekend and shake the rheumatiz out of your old brief case.

Sumner Rider, New York business executive, responded to daughter's plea to attend Dad's weekend at Wells College, Aurora, N. Y., as a fatherly good deed. Now he can't wait for return engagements.

"I've been to two of these events," says Rider, whose 20-year-old daughter Lynn is a junior, "and it's better therapy than a vacation at a health farm. The girls have every minute planned, there are a million laughs, and a lot of regrets that it can't last longer."

Know Dads Better

A father who has never been inveigled into the inner sanctums of a girl's school doesn't know what he's missing, Rider says.

"It isn't just the fun the Dads have that counts either," he explains. "Girls spend a good deal of their early years with their mothers, and at college age need to be acquainted with their fathers. It gives them a chance to know each other and for Dad to know daughter's companions."

When Lynn's friends come to the Rider's home, they are known by their first names, and Rider has met the fathers of the college gals.

"That too, is one of the interesting aspects of these weekends," he says. "The fathers become good friends, see each other socially, and have a whale of a good time when they get together at the school."

Often Share Fathers

One sad feature of these weekends is that some Dads just don't show, Rider adds.

"When a father doesn't put in an appearance, his daughter is very disappointed, usually leaves the campus for the weekend, rather than face up to the gaiety."

Girls who do not have Dads sometimes share a father with another girl.

"After you are aware of the 'Importance of Being a Father to a College Daughter, you are likely to become conscience-stricken that Mom isn't invited to these soirees," says Rider. "I was. So I suggested that the girls have a Mother's Weeke..d. But they didn't go for it, replying:

"'What would we ever do with our mothers?'"

ALL IN A NIGHT'S WORK

COLUMBUS, Ohio (AP)—A burglar here really worked for his $37 loot, to all indications.

Police say he apparently squeezed through bars eight inches apart on the basement window of a tavern, removed a door panel to get upstairs, climbed into the attic, cut a hole in the ceiling of a room where the safe was, and dropped down.

They said he then tried to push the 500-pound safe to the tavern door, but gave up. He got the $37 from a cash register and crawled out through a rest room window.

Weddings

Miss Barbara Ruth Witherow, daughter of Mr. and Mrs. William W. Witherow, 55 W. High St., became the bride of Lowell Dayhoff Gardenhour, son of Mr. and Mrs. A. J. Gardenhour, 319 Fairview Ave., Waynesboro, Sunday afternoon at 2 o'clock in the Trinity United Church of Christ, Waynesboro. The double-ring ceremony was performed by the Rev. Clayton Moyer, pastor, and the Rev. Robert A. MacAskill, pastor of the Gettysburg Presbyterian Church.

The church was decorated with white gladioli and baby's-breath. The organist, C. Richard Main,

played "Aria" by Bach, "Andante Cantabile" by Widor, "Bells of Lourdes" by Gaul, and "Dreams" by McAmis. The soloist, who sang "At Dawning," "Through the Years," "O Perfect Love" and "The Lord's Prayer," was Miss Joyce Koller.

The bride, given in marriage by her brother-in-law, S/Sgt. Leonard M. Sites, was attired in a white gown of bouquet taffeta, featuring a Chantilly lace bodice with long sleeves. The gown was fashioned along princess lines with a bouffant skirt ending in a chapel train. The bride wore a tiara veil of illusion net. She carried a bouquet of rubian lilies, lemon leaves, and baby's-breath.

Sister Is Attendant

Miss Doris J. Witherow, 55 W. High St., sister of the bride, served as the maid of honor. She was dressed in a ballerina length gown of white embroidered organdy fashioned with a scoop neckline and cap sleeves. Her full bouffant skirt was accented by a Nile green cummerbund with a large bow and by a green hem border. She carried a bouquet of green California daisies and baby's-breath.

The bridesmaids were Miss Jean Notestine, McVeytown, classmate of the bride; Miss Lorraine Sites, Fairfield, and Miss Mary Ann Witherow, Baltimore, sister of the bride. Their gowns were of orchid, blue, and pink and were of identical fashion to that of the maid of honor's. They carried bouquets of matching California daisies and baby's-breath.

Cletus Gardenhour, 319 Fairview Ave., Waynesboro, brother of the groom, served as best man. The ushers were Allen J. Gardenhour Jr., Rockville, Md., Merle Pentz, Ronald Snider and Richard Carson, all of Waynesboro.

The flower girl, Linda L. Sites, Granby, Mass., wore a dress identical to that of the maid of honor's. Her headpiece was made of white and yellow daisies, and she carried a basket of California daisies of all shades. The ring-bearer was Dominic W. Sites, Granby, Mass.

Reception Is Held

The bride's mother was attired in an aqua dress of lace. She wore white accessories and a white rosebud corsage.

The groom's mother wore a blue lace dress with beige accessories. Her corsage was of white rosebuds.

Immediately after the ceremony a reception was held at the church hall. The couple then left for a 2-3-week wedding trip to Florida, Nassau, and the Bahamas. For her going away outfit the bride wore a white linen dress with lace trim and a pink satin bow belt. Her hat was a large white picture bonnet. Upon their return the couple will reside at 30 E. Third St., Waynesboro.

The bride is a graduate of Gettysburg High School. She attended Gettysburg College and graduated from Shippensburg State Teachers College with the class of 1958. Next fall she will teach in the Waynesboro Area Schools.

The groom is a graduate of Coyne Electrical and TV School, and spent four years in the Air Force. He is employed as an electrician by his father.

Out-of-town guests were from Baltimore, Granby, Mass., Hagerstown, York, El Paso, Texas, Rockville, Md., McVeytown, Chambersburg, Carlisle, Philadelphia, Ambridge, Lewistown, Littlestown, Hollidaysburg.

Miss Jo Ann Marie Griest, daughter of Mr. and Mrs. Ralph E. Griest, East Berlin R. 1, became the bride of Richard Wayne Grove, son of Mrs. Clyde Grove, Dillsburg, Sunday afternoon at 1 o'clock in the Mt. Olivet Church, East Berlin. The double-ring ceremony was performed by the Rev. Robert H. Rezash.

The church was decorated with cut flowers.

The bride was attired in a

street-length gown of white Chantilly lace and net over white satin with a white net stole. Her shoulder-length veil fell from a nylon crown. She carried a hand nosegay of white carnations.

Lois L. Megonnell, East Berlin R. 1, and cousin of the bride, served as maid of honor. She wore a ballerina-length gown of yellow net over yellow satin with matching net stole. She wore a matching headband and carried a nosegay of yellow carnations.

Rory E. Parr, York Springs, served as best man.

The bride's mother was attired in a navy blue polka dot dress. The groom's mother wore a light blue linen dress.

Immediately following the ceremony a reception was held at the home of the bride with about 115 people present.

The couple will reside at East Berlin R. 1.

The bride is a graduate of the York Springs High School where she was a member of the Senior Hi-Y Club.

The groom is employed at the Dillsburg Shoe factory.

LONDON (AP) — An article in "Komsonoiskaja Pravda," an organ of the Communist youth organization received here, contains an odd complaint against Russian Baptists. It says: "They are particularly dangerous, for among them the laymen are evangelists. Every Russian Baptist tries to win at least one adherent to his faith.

Engagements

MISS FITZ

Mr. and Mrs. Maurice Fitz, Emmitsburg, announce the engagement of their daughter, Miriam B. Fitz, to Donald Wayne McCauslin, son of Mr. and Mrs. Robert S. Fitez, Fairfield R. D.

Miss Fitz is a 1958 graduate of St. Joseph's High School and is employed at the Emmitsburg Pharmacy. Mr. McCauslin was graduated from Emmitsburg High School in 1957 and is employed at Saylor's Gulf Station, Gettysburg.

Mr. and Mrs. Earl McMaster, Gettysburg, R. 5, announce the engagement of their daughter, Lucy Frances, to John Lawrence Staub, Jr., son of Mrs. Myrtle Staub, New Oxford R. 1.

Miss McMaster is a 1958 graduate of Delone Catholic High School, McSherrystown. Her fiance also attended Delone.

QUITE A RACKET

PONCA CITY, Okla. (AP) — The Junior Chamber of Commerce Jaynes Women's Auxiliary have collected more than 500 tin coffee cans. They are going to make miniature Indian tom-toms to distribute during the Jaycee convention here.

York Springs

YORK SPRINGS — The York Springs Church of God Missionary Society held a regular monthly meeting Friday evening at the home of Mrs. Anna Garman, Gardners R. 1. The devotions were in charge of the Spiritual Life director, Mrs. Nellie Larue. The theme of the program was Father's Day. Each one told some experience of her father. There were two special selections by Cindy and Lloyd Garman. The offering and sales amounted to $10.95. Twelve boxes of used clothing and literature were sent out to various places in the past month.

The regular meeting of the York Springs 4-H Home Economics Club was held Thursday at 7 p.m. in the Scout Cabin. The meeting was opened by the president, Yolanda Golden. The project for the year has been changed to "Tasty Snacks" because the first chosen project could not be completed until the Roundup in September. The future meetings have been planned to start about 6:30 p.m. and be completed about 9:30 p.m. The "meeting place" for members who do not have a way to go to the meetings will be at Zerbe's Cut-Rate Store. Mrs. Prosser and Yolanda Golden will get the members there at about 6:15 p.m. and arrange to take them home. There were a few games played. The next meeting will be held at the home of Charlotte Leer at 6:30 p.m. Now equipment will be needed.

The York Springs Woman's Christian Temperance Union will meet at the home of Mrs. Ellen Blocher on Friday evening at 8 o'clock.

Miss Edna Albert celebrated her 80th birthday in the form of a shower. Her brother, Frank Albert, Philadelphia, spent several days with her over the past weekend.

Rev. Ernest P. Leer, Landisville, visited his parents, Mr. and Mrs. Calvin Leer on Thursday.

MISS WRIGHT LEADS TOURNEY

MARBLEHEAD, Mass. (AP)—Mickey Wright sets out today to match the consistent one-over-par pace she feels will win the $12,000 Round Robin Women's Invitation golf tournament.

The tall Californian, conceded the favorite by most of her 15 rivals, says steadiness is the key to mastery of this unusual 90-hole mixture of medal and match play.

The event consists of alternating foursomes. A player gains a point for every stroke less than any other member of her foursome and loses a point for every stroke over.

In Wednesday's warm-up pro-celebrity tournament, Mickey shot a 76 in her first tour of the layout as did former champions Fay Crocker and Patty Berg, Betty Dodd and alternate Joyce Ziske.

Louise Suggs, 1955 winner, and Alice Bauer turned in 74s while Bev Hanson and Mary Lena Faulk registered 75s.

The tournament concludes Sunday with a double round scheduled Saturday. Kathy Cornelius, Marilynn Smith, Marlene Bauer Hagge, Jackie Pung, Betty Jameson, Wiffi Smith and Bonnie Randolph complete the field.

BARNYARD ANTIBIOTIC

NEW BRUNSWICK, N. J. (AP)—A car's break-down led to the discovery of neomycin, one of the newest antibiotics.

Dr. Hubert Lechevalier, an associate of Nobel Prize winner Dr. Selman A. Waksman, was driving past a manure-covered barnyard at the Rutgers University College of Agriculture when his car broke down.

While waiting for repairs, Lechevalier collected a soil sample. It was processed and neomycin resulted.

The drug is used to treat diarrhea in infants, in skin and eye ointments, and as an antiseptic preparation for bowel surgery.

M'PHAIL WILL TALK SATURDAY AT DEDICATION

Attorney John A. MacPhail, Gettysburg, will be the guest speaker for the official dedication of the new McSherry Field for Little League play on Saturday afternoon. Attorney MacPhail is a well known civic leader and past commander of the American Legion, who has worked with the local league to become incorporated and other matters pertaining to the new field. Also in attendance at the dedication will be Doyle Reed, Newville, district commissioner for Little League, Inc., and Thomas C. McSherry, local donor of the land on which the field is located.

Following the parade, there will be a flag raising ceremony with R. J. Stonesifer, Little League president, and Doyle Reed officiating and Burgess Elmer G. Miller Sr. will throw out the first ball. Dugouts have been completed this week and bleachers to accommodate approximately 300 patrons are being placed today. Little League players are contacting patrons with 1958 season tickets during this week.

Parade At 1 P.M.

The parade on Saturday will form on Maple Ave. and will move at 1 p.m. In addition to the above officials, the line-up will include the massed colors of the Ocker-Snyder Post No. 321, American Legion and of the Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars, the Littlestown High School Blue Band, Borough Council members, Little League and Minor League players in uniform. The parade will go from Maple Ave. to E. King to the square, down S. Queen to Feeser's Dairy, countermarch through the square to N. Queen as far as Marvin St., and to the field.

There will be a doubleheader following the ceremonies with all four teams of the league, Lions, Vets, Giants and Eagles participating. A refreshment stand will be maintained by the following mothers of the league players: Mrs. Edward H. Leister, Mrs. Donald C. Feeser, Mrs. Robert V. Weaver, Mrs. Leo Kuhn, Mrs. Stanley S. Horner, Mrs. Monroe G. Morelock, Mrs. Mary Bowersox, and Mrs. Atlee F. Rebert. Other volunteers will be welcomed.

WSCS Meets

Nineteen members and six visitors attended the June meeting of the Woman's Society of Christian Service of Centenary Methodist Church, held on Tuesday evening at the church. Mrs. Evelyn Brown was in charge of devotions. Entertainment consisted of a piano solo by Joseph Bowman, and an accordion solo by Allen Bowman. The birthday of Mrs. Mildred Kerns was noted. James Brown showed movies of church activities and other scenic views. During the social hour, refreshments were served by Mrs. Brown, Mrs. Bertha Babylon and Mrs. Nellie Shadle. The WSCS will meet again on Tuesday, July 8, at the church, when the hostesses will be Mrs. Bertha Shull, Mrs. Lois Sells and Mrs. Jean Harner.

Approximately 80 persons were present at the annual father and son banquet of Christ United Church of Christ, held on Wednesday evening in Grace Lutheran Church parish hall, Two Taverns. The roast chicken dinner was served by the women of the church. The address of the evening was delivered by the Rev. J. Howard McCarney, pastor of St. Matthew's Lutheran Church, Hanover.

The program was as follows: Invocation, the Rev. G. Howard Koons, pastor of Christ Church; accordion solo, George D. Koons; concert trio selections, "Arubio Capri" and "Whip-poor-will," Ray Wilson, James Starner and Larry Harman, accompanied by Linda Sterner; presentation of gifts to the youngest father in attendance, William Markle, and the oldest father present, Albert Crabbs; address by the Rev. Mr. McCarney; numbers by the cornet trio, "Romance" and "Bugler's Holiday"; remarks, Pastor Koons; Lord's Prayer in unison, and benediction.

Workman Killed In Plant Blast

TARENTUM, Pa (AP)—Russell Naughton, 38, of Natrona was listed in critical condition today in Allegheny Valley Hospital after a chemical plant explosion that fatally injured a fellow worker.

Fritz Bueher, 59, of Brackenridge, died in the hospital Wednesday several hours after the explosion in the fluorine gas department of Pennsalt Chemical Corp. in nearby Natrona. Four others were treated for exposure to fumes.

The blast blew out a corner of a brick building, but there was no fire. The cause was not learned immediately. Plant officials said an inspection would be made before giving a damage estimate.

LOS ANGELES (AP) — While Western Air Lines was idle, its stewardesses weren't.

Forty of them got married during the 108-day strike that grounded the line. The line resumed its service Tuesday with 20 per cent fewer stewardesses than before.

DEMONSTRATOR WORKS 8 MONTHS IN $11,000 JOB

By MARY RUTTER

KANSAS CITY (AP)—There is a crowd so thick around the counter it's impossible to get through the aisle. The woman demonstrator is chopping cabbage and talking about the tool she uses.

"You will save the price of it in one meal," she says. "And you will use it to prepare foods you wouldn't bother to fix if you had to chop everything by hand."

When someone buys, she quickly wraps a chopper, keeping up her commentary to the rest of the crowd.

Maybe you have envied these traveling saleswomen, maybe you feel sorry for them. But what kind of a life do these women lead, what's it like to be a "dimestore demonstrator?"

Mrs. Olive Seidl, selling food choppers here, supplied answers frankly and willingly.

To see her at work, her trim white uniform contrasting with sparkling brown eyes and dark hair, you'd never guess that she has eight grandchildren or that she has been doing this work for 32 years. She has as much energy and enthusiasm for her job as if she were just starting——and she needs it.

Work 8 Months

"Most of us work only eight months a year," she said. "You have to rest between times—if you don't you will crack up.

"You've got to like people and not be afraid to approach them. You know, 9 out of 10 persons who come into a store don't come in to buy what you're selling. They haven't the faintest idea they're going to want it.

"To get a crowd, I start talking with some individual who stops, and then when several have gathered I start showing the tool. Sometimes you can hold a crowd for as long as hours. I have to have an audience to work. Once I had to go on television for a demonstration. It was horrible, I nearly fainted, I was talking to nobody. I love a crowd—50 or 60, the more the merrier."

Demonstrators sell an unbelievable amount of merchandise. An income of $11,000 for the eight months work is not unusual.

"We work entirely on commission," Mrs. Seidl said.

And it isn't hard to get a job. Once you're a demonstrator, businesses come to you."

Can Follow Weather

In the summer months, Mrs. Seidl rents concessions in state or county fairs, about seven of them a year.

"The nice thing is, you can go where you want to—follow the good weather. You can stay in one city as long as business holds up."

And what does a demonstrator do on her days off?

"When I'm not working, I love to go and watch other demonstrators," says Mrs. Seidl. "I learn a lot that way."

Mrs. Seidl got her start sampling" for a meat packer. This means offering a taste of the product to customers in food markets.

In her four months rest period, Mrs. Seidl has a very different sort of life. She and her husband, George, who is a landscape architect, live on their 122-acre farm at Shakopee, Minn., near Minneapolis, where they raise Christmas trees.

George R. Baumgardner, son of Mr. and Mrs. James C. Baumgardner, Taneytown, received his Doctor of Medicine degree at the 151st commencement at the University of Maryland School of Medicine, Saturday.

The speaker was Dr. Milton Eisenhower, president of Johns Hopkins University, Baltimore.

Dr. Baumgardner is now serving his internship at the University Hospital, Baltimore.

LOMBARDO PLANS MUSICAL

NEW YORK (AP) — Orchestra leader Guy Lombardo is going to do a musical about Edward Grieg for his third summer as a theatrical producer in the Jones Beach amphitheater.

"Song of Norway," which began a two-year run on Broadway in 1944, has been chosen by Lombardo to follow last season's hit presentation of "Show Boat."

Robert Wright and George Forrest, who prepared "Norway" for Broadway, have been engaged to revise it for the outdoor arena. The show will open June 19.

BAD SHAPE

NOTTINGHAM, England (AP) — Some 355 of the 398 cars tested in a road safety week at this Midlands city were found faulty.

KILLS GIRL AND THEN SUICIDES

MONESSEN, Pa. (AP)—An unemployed steelworker shot his girl friend to death early Wednesday then killed himself.

The victim of the ambush slaying was Miss Dorothy Gido, 27, of Monessen. After killing her with a rifle, Paul Marinkovich, 29, of Donora, shot himself in the head.

"It obviously is a clear case of murder and suicide," said Police Chief Michael Kuvinka of this Westmoreland County town. "We have not been able to establish a motive."

Miss Gido, a cashier at a fruit market, had been dating Marinkovich for several years. Her sister-in-law, Mrs. Thomas Gido, said the couple had quarreled on a date Thursday night, adding:

"He came back here in his car but he parked it away up a hill so she wouldn't see it."

"Then he hid in the bushes in front of her house and waited for her. She came home in a taxi. As she got out of the taxi, he ran at her. They began to struggle.

"She yelled, 'let me go, let me go,' several times and the taxi driver (Wilbur Boyd) started to get out of the taxi to help her. He was just getting out of the cab when Paul shot her x x x then Paul shot himself."

Production Up At Fairless Works

MORRISVILLE, Pa. (AP)—The giant Fairless Works of the U. S. Steel Corp. announced Tuesday that production had been increased 25 per cent this month and 250 employes were re-hired.

Another open hearth was added in the past ten days bringing the number now being worked to five, the firm said.

"We are optimistic that business will continue to improve in the months ahead," a company spokesman said.

There are a total of nine open hearths at Fairless. At full capacity, the plant employes, 1,600 workers. Less than a 1,000 are now idle, the spokesman said. Furloughing on a gradual basis was begun last fall, he added.

BELIEVES EARLY WEST ENJOYED ROUNDED HUMOR

By JAMES GARNER

NEW YORK (AP) — When I pause to think of the rich vein of humor the Maverick scripters have tapped to make the series a superior TV product, I'm amazed that most Western historians treated the post-Civil War period like a wake.

We'd been led to believe that 1870 frontiersmen generally had an almost fanatical aversion to any type of humor other than a practical joke. Our silent screen Westerns reflected this mistaken premise; so the kids grew up with the idea that Tom Mix, Bill Hart and Hoot Gibson were nurtured on undistilled sour mash.

Our producer, Roy Huggins, a Phi Beta Kappa with enviable writing credits and considerable skill as a researcher, couldn't go along with the theory. Asked at the outset for a terse slogan for the series, he said: "An adult Western—with humor."

Thinks He's Miscast

With that thought as a starting point, the writing craft was combed for dramatic writers gifted with humor—in distinction to comedy writers noted for building joke routines.

Actors? Wen, all I can say is that I'm horribly miscast as Bret and Jack Kelly is a misfit as Bart if they were looking for performers to deliver the melancholy subtleties of psychological drama. We ain't the types.

It would be grossly unfair to any writer for me to take a hunk of his dialogue out of context to illustrate his over-all skill as a humorist, but instances do come sharply to mind to show, generally, the line of thought that bears fruit after Huggins has given a Maverick assignment to a writer.

Foresees Improved Program

As I write this, we're putting the finishing touches on a Maverick dubbed "The Day They Hanged Bret Maverick," and I hasten to add that the title doesn't denote the demise of the series. Quite the opposite: It'll probably be the opening show for the new fall series over an expanded ABC-TV network of stations.

DEATHS

By THE ASSOCIATED PRESS

CLEARWATER, Fla. (AP) — Frank X. Gaughen, 67, former vice president and secretary of the Capper Harmon, Slocum, Inc., publishers of Cleveland, died Tuesday. He retired last year after 34 years with the Capper Publications of Topeka, Kan.

DELAND, Fla. (AP) — Charles H. Franklin, 67, comptroller of Stetson University and former business manager, died Tuesday of a cerebral hemorrhage. He at one time had been associated with the YMCA in Cleveland, Youngstown, Ohio, and St. Louis.

NEW YORK (AP) — Arthur A. Pollan, 72, retired vice president of the United Fruit Co., died Tuesday. Pollan, of Newton Center, Mass., was associated with the company from 1909 until his retirement in 1952. He was born in Cold Springs, Tex.

DES MOINES (AP)—Louis H. Ingram, 68, Associated Press telegrapher and teletype operator for 35 years until his retirement in 1953, died Monday. He was born in Beloit, Kan.

HOLLYWOOD (AP) — Jay B. Scott, 61, dean of the movie colony's newspaper and magazine photographers, died Tuesday of a heart attack. Scott photographed film celebrities for almost 40 years for screen magazines and newspaper syndicates.

STANSTEAD ABBOTS, England (AP)—Archie Miller disclosed Tuesday he has been napping in his coffin for 33 years and is satisfied that his last long rest will at least be comfortable.

Miller is 92. Every afternoon he goes to a shed where he keeps the coffin and gives it a polishing. Then, if drowsy, he crawls in for a snooze.

The coffin is solid oak and cost about $100 when Miller bought it.

I'd be drawn and quartered if I gave away the plot of "Hanged," but I can assure you that the script by Douglas Heyes is well-larded with sardonic humor. In one of the early shots, Maverick, the card expert, awaiting his execution in a moldy cell, is calmly cheating at solitaire. That's what you might term a "twist." I'm sure our 1870 frontier ancestors resorted to off-beat or shaggy dog humor. It was the historians who took themselves seriously.

S. C. ELECTION IS MARRED BY FATAL SHOOTING

COLUMBIA, S.C. (AP)—A runoff election to decide the Democratic nominee for governor is scheduled June 24 between Ernest F. Hollings and Donald Russell.

Hollings, 36, a Charleston attorney now serving as lieutenant governor, ran ahead of the 52-year-old former president of the University of South Carolina in the Democratic primaries Tuesday.

Third in the field was Mayor William C. Johnston of Anderson, brother of U.S. Sen. Olin D. Johnston (D-SC). The mayor conceded defeat.

State Senator Slain

Nearly complete but unofficial returns gave Hollings 140,779 votes, Russell 118,638 and Johnston 80,280.

Party nomination is equivalent to election in this heavily Democratic state.

The day was marred by the slaying of State Sen. Paul A. Wallace, 57, as he learned he had won renomination. He was shot in the Marlboro County sheriff's office in Bennettsville and police held County Clerk Henry A. Rogers, 67.

Motive for the slaying was not clear.

Orrtanna

ORRTANNA — The WSCS of the local Methodist Church held a monthly meeting in the church social hall on Thursday evening of last week with Mrs. Ruth Deardorff and Miss Pauline Deardorff as hostesses.

The worship service was opened by the new president, Mrs. Althea March. Scripture was given by Miss Deardorff; song, "Ever Singing March We Onward"; theme, "Changing Patterns in the March of Missions" with a panel discussion by Mrs. Betty Donaldson and Mrs. Mary Hess; song, " Joyful, Joyful We Adore Thee." Mrs. Alice Marden gave a report from a recent conference on missions.

Mrs. Dale Biesecker was received as a new member. At the close of the meeting a social hour was held and refreshments were served. There were 20 members present. Guests included Mrs. Ross Deardorff, Beverly Donaldson and Joleone and Bonnie Marden.

The monthly meeting of the WSCS of the Mt. Carmel EUB Church was held in the church social hall Monday evening with 16 members present. The Rev. and Mrs. Alfred Gotwald, son, Kenneth, and Miss Shirley Lochbaum were guests.

Mrs. C G. Crist, president, presided over the business session and gave a report on the Missionary conference held in 5th EUB Church, York. Besides Mrs. Crist those attending the conference were Mrs. Clyde Metz, Mrs. Ira Naugle and Mrs. Clyde Baker. Final plans were made for the Father-Son banquet to be held in the church hall Saturday evening.

A committee comprising Mrs. Ira Naugle, chairman; Mrs. Crist, Mrs. Paul Wetzel, Mrs. James Kump and Mrs. Clyde Metz is arranging the banquet.

Mrs. Dale Wetzel was leader for the worship service. The topic was "Strengthening the Church, Through Vacation."

Hymns entitled "The Church's One Foundation," "For the Beauty of the Earth" and "Let the Beauty of Jesus Be Seen in Me" were sung by the group with Mrs. Clyde Metz as the piano accompanist. After the opening prayer by Mrs. Crist, a reading entitled "Portraits" was given by Mrs. Ira Naugle.

Readings on vacation were given by Mrs. J. E. Spence, Mrs. John Baker, Mrs. George Haines, Mrs. Paul Wetzel and Mrs. William Weigle Jr. An offering of $14.85 was ta..en

Following the program refreshments were served by the hostess, Mrs. Ruth Shindledecker, with Mrs. Olmer Spence and Mrs. Paul Wetzel as co-hostesses. Mrs. Dale Wetzel offered the closing prayer. Mrs. J. E. Spence will be hostess for the July meeting with the leader to be decided later.

One hundred and six dollars and eighty-one cents was realized from the recent supper held by the Margaret Donaldson Bible class of the local Methodist Church.

Wayne Spence, who is stationed with the USN at Brunswick, Ga., visited his parents, Mr. and Mrs. J. E. Spence on Monday.

Lands Plane With Three Engines Afire

RIO DE JANEIRO (AP)—With three engines of his plane afire, an Argentine airline pilot coolly followed emergency procedures for a tricky landing in the surf off a Brazilian island Tuesday.

The DC6B slid aground on the sandy bottom, and the 16 passengers and 6 crewmen waded ashore. The four-engine plane then burst into flames. Only one persons was seriously injured.

Aerolineas Argentinas said the plane developed engine trouble after leaving Rio for Buenos Aires and the pilot was unable to make it back to an airport.

Returns Nickel From Zoo Alligator Pit

MIAMI, Fla. (AP)—A boy who took a nickel from an alligator pit at the risk of his life has returned the money.

The unidentified youngster mailed the money with a note saying he was very sorry.

Money is tossed into the Crandon Park Zoo's 'gator pit by visitors who want to contribute towards purchase of new animals. Attendants pick it up periodically.

Associated Press Food Editor

The Italian way of marinating cooked vegetables and serving them cold is worth adopting.

We first came on snap beans prepared this way when we went, years ago, to a small Italian restaurant on New York's East Side. There the owner's whole family cooked and served dinner to paying guests who made reservations to dine at seven or nine o'clock. At both sittings family-style platters came to each table. The meal began with stalks of celery and whole tomatoes, melon, veal in tuna sauce and went on to soup, pasta or risotto. Then came the main course — roast beef or veal with potatoes and a huge bowl of cold marinated snap beans.

When we staggered home after this meal we looked into our Italian cook books and found it common practice to marinate cooked vegetables. As readers of this column know, we've passed along variations of marinated snap beans. Recently we marinated lightly-cooked carrot sticks with equal success. The carrots may be served on a platter of antipasto or be offered with hot or cold roast meat or poultry.

Marinated Carrots

Ingredients: 6 large or 8 medium-sized carrots (about 1½ pounds without green tops), 1 cup boiling water, ¼ teaspoon salt, ¼ cup olive oil, 3 tablespoons cider vinegar, ½ teaspoon salt, white pepper, 1 small garlic clove, 1 bay leaf, 2 tablespoons minced parsley, extra salt.

Method: Pare carrots; cut into sticks about 3 inches long and ½-inch thick. Cook rapidly, covered, in 2-quart (wide bottom) saucepan with boiling water and ¼ teaspoon salt; turn once and cook until tender but still crisp — about 8 minutes. Drain. Turn carrots into a shallow container. Beat olive oil, vinegar, ½ teaspoon salt and a dash of pepper together with a fork; add garlic clove (cut in half) and bay leaf (broken into several pieces). Pour over carrots and mix well. Sprinkle with parsley. Refrigerate, covered, overnight. Remove to room temperature shortly before serving. Sprinkle lightly with extra salt if needed. Makes 6 to 8 servings.

We have just tried a new way of using a cake mix, with good results. Less liquid than is regularly called for was added to the mix, then the batter was strewed with canned drained blueberries and a crumb topping (streusel) before being baked. The blueberry kuchen that resulted was served warm, with butter passed for those who are not weight-watching.

The cake mix we used is a spanking new one designed to fit one 8- or 9-inch square or round cake pan, one 6 by 10 or 7 by 11 inch pan, as well as a number of other baking pans and dishes. The mix comes in four flavors — white, chocolate, yellow and marble. The white and yellow varieties are particularly good for upsidedown cakes — not only because of their texture but because the amount of cake they yield balances the amount of fruit usually used.

Serve At Brunch

We used the white cake mix for our blueberry kuchen. It would be fine to serve at a brunch or a morning coffee.

The topping given in the recipe is the sort often found on bakery products. We note this because several readers have asked us for this particular streusel.

Quick Blueberry Kuchen

Ingredients: 2 tablespoons sugar, ¼ cup flour, 2 tablespoons cold hard butter or margarine, 1 egg, water, 1 loaf-size package (10 ounces) white cake mix, ⅔ cup well-drained canned blueberries.

Method: Butter the bottom of a square cake pan (9 by 9 by 1¾ inches); lightly flour the bottom. Stir sugar and flour together in a small bowl; add the hard butter and cut in with a pastry blender just until fine crumbs are formed; reserve. Break egg into a glass measuring cup; add enough water to come up to the ½ cup mark. Add egg-water to cake mix; stir until blended. Beat with medium speed of electric mixer for 4 minutes; or beat with spoon for 4 minutes — 150 vigorous strokes equals 1 minute. Turn into prepared baking pan. Sprinkle blueberries over batter; then sprinkle over reserved crumb mixture. Bake in moderate (375 degrees) oven 25 to 30 minutes or until cake tester inserted in center comes out clean. Serve at once, cutting squares in pan and lifting out with a spatula. Or reheat in a hot oven at serving time.

Note: The berries drained from an 8¼-ounce can will yield the amount needed for this recipe; or use ⅔ cup of the well-drained berries from a larger can.

Death Rate From Heart Disease Up

HARRISBURG (AP) — Deaths from heart disease rose 3 per cent in Pennsylvania last year over 1956, the State Health Department reported Tuesday.

It attributed 49,393 deaths to the state's worst killer.

Cancer deaths also increased, said Dr. C. L. Wilbar, secretary, with 19,066 deaths reported in 1957 compared with 18,726 for the previous year.

LONDON (AP)—Robert Donat, 53, who won Hollywood's Academy Award as the best actor in 1935 for his starring role in "Goodbye Mr. Chips," died Monday. Donat, who had been in poor health for many years, made his first appearance on the stage in 1921. He was born in Withington, Manchester, England.

Peter is the Greek name for "a rock."

DEMOCRATS TO PICK OFFICERS FOR TWO YEARS

HARRISBURG (AP)—The 113-member Democratic State Committee came to Harrisburg today to name statewide officers for the next two years and map plans for the fall gubernatorial campaign.

Sen. Joseph M. Barr, up for re-election as state chairman, predicted prior to the afternoon meeting that the incumbent slate of statewide committee officials would be re-elected to two-year terms without opposition.

At the same time he called on the party to avoid complacency in the forthcoming campaign and seek new party support.

To Work Registration

"Perhaps our most important single activity during the summer and early fall will be an intensive campaign to further reduce substantially the Republican registration lead, so that when the registration rolls close next September the two parties will be almost equal in registration," Barr declared.

Barr said these other state committee officials would be re-elected to two-year terms:

Secretary—Miss Genevieve Blatt, secretary of internal affairs; vice chairman—Louise M. John, West Chester; treasurer — L. Warren Mickle, Harrisburg.

McCloskey May Continue

Barr also said Matthew H. McCloskey, Philadelphia contractor, would be asked to serve again as state finance chairman. McCloskey holds the same post in the party at the national level.

Pittsburgh Mayor David L. Lawrence did not attend the meeting because he is in Europe on a vacation trip. Lawrence's post as national committeeman still has two years to run.

Turning to the Democrats' opposition in the fall campaign, Barr declared:

"The reactionary wing of the Republican party won the primary election and is in full control of the party machinery in the state."

"Core Of Protest"

Barr contended that the more than 300,000 Republican voters in the May 20 primary who supported Harold Stassen's bid for the gubernatorial nomination represent "a hard core of protest against the domination of their party by the PMA (Pennsylvania Manufacturers Assn)."

Barr said that since 1954, when the Democrats took over the state administration, the party has reduced the Republican registration lead from more than a million to less than 267,000.

"As for our future prospects, I am supremely confident of victory this November if we guard against overconfidence, complacency and a resultant failure to work hard," he asserted.

Partially Buried On Excavation Job

HARRISBURG (AP) — A workman was partially buried Tuesday when a rim of an excavation on the Capitol grounds caved in.

Pierce R. Kumler, 44, Duncannon R. D. 1, a carpenter, was reported in satisfactory condition today at the Harrisburg Hospital. He suffered possible fractures of both ankles and cuts of the left arm.

Kumler had been working in the excavation for an underground garage at the State Finance Building.

SUBMITS LOW BID

HARRISBURG (AP)—An unoffical low bid of $74,415 was submitted Tuesday on a timber-clearing project on a 380-acre tract of land in Gov. Pinchot State Park, York County.

The area is to be used for a recreation facility. The unofficial low bidder was Penn Line Service, Inc., Scottdale.

PLAN BASEBALL LOOP FOR GIRLS AGED 10 TO 15

NORRISTOWN, Pa. (AP) — Schoolgirls may be the nation's next baseball stars.

Now the Lassie League, made up of girls from 10 to 15 years old, challenges the supremacy of the Little League on the National junior baseball diamond.

It all started with the enthusiasm of Mrs. Marion B. Earl, director of physical education for elementary schools here and commissioner of Lassie Leaguers, Inc., in nearby Collegeville.

Mrs. Earl expects 100 or more Lassie Leagues, each consisting of four major teams and four farm teams, this spring and summer, playing Lassieball, a modified form of softball.

Inquiries From 400

"We have received inquiries from 400 communities," says Mrs. Earl. "They want to know how to organize a league, the details of Lassieball, where to buy uniforms and what player insurance is needed.

"We have a booklet telling all about Lassie Leaguers and will send it to any interested community or group."

The Lassie Leaguers were incorporated last year as an international non-profit franchising body. In addition to the Collegeville league, there were franchised leagues in Unionville and Norristown, Pa.; Guadalupe, Calif.; Highland Springs, Va., and South Miami, Fla., in addition to a score of other experimental teams throughout the country.

Mrs. Earl has taught Lassieball to hundreds of girls since the game was started in Collegeville five years ago. She believes in the baseball bat as a wholesome influence on the characters of growing girls. Says she:

Learn How To Lose

"My own daughter, Lynn (she's 12), has learned how to be a better loser. And that is one of the most important social graces in my score book.

"Girls with quick tempers have learned to hold them in check, to adjust to the need for controlled cooperative effort. I remember one girl in particular who used to blow up and throw her bat. The pressure of the group and her own awakened good sense cured her of that.

"We find girls who play ball get along better with boys in conversation. It's reasonable, of course, that a boy should have a pretty fair opinion of a girl who knows what the infield fly rule is, for example."

To critics who call baseball unladylike, Mrs. Earl retorts:

"Perhaps it is, if you're still living in 1890. But seriously the answer is in the girls themselves. They're better poised, more engaging social creatures. That's rather important in being a lady."

2nd Sink Needed In Kitchen, Report Says

ITHACA, N. Y. (AP) — Maybe the family needs a second kitchen sink instead of a second automobile.

Research at Cornell University's College of Home Economics shows that the sink is the most important center of the kitchen — more time spent there, more trips to and from there.

A second sink — located by the kitchen range — was found to save kitchen work, Prof. Rose Steidle says, making possible longer periods of unterrupted work, providing handy water for cooking and soaking pans.

U. S. WORLD FAIR FROM N. ENGLAND PAVILION ROOF

By DAVID L. BOWEN
AP Newsfeatures

When the United States went on display alongside Russia at the World's Fair in Brussels in April, an excellent example of the fruits of the private enterprise system was built right into the U. S. pavilion.

The showcase for American democracy at the fair, an immense and strikingly beautiful building designed by Architect Edward D. Stone, has the largest free-span translucent plastic roof in the world.

The soft natural light from above, floorspace free of supporting posts, and substantial exclusion of heat from the sun's rays—all due to the roof material—are important elements in the fairyland atmosphere the structure achieves.

New England Helped

Two years ago such a roof would have been impractical because of the weight problem. Now it can and has been done, thanks to one small fragment of American capitalism: the concern marketing the material which made possible the remarkable roof employs only 25 hardy New Englanders.

The company—the Kalwall Corp. —was formed by a group of small businessmen only three years ago at Manchester, N. H. Its product developed by inventor Robert Keller over a period of eight years, consists of an aluminum gridwork sandwiched between sheets of fiberglass plastic.

Secret of its success is the ingenious method used to bond together the three parts of the sandwich so that strength is retained while permitting unavoidable expansion and contraction of the two materials.

2,000 Individual Panels

The pavilion roof is a massive circular jig-saw puzzle fashioned of more than 2,000 individual panels, each 10 feet long but of varying widths. Both ends of each panel rest upon steel beams which, in turn, lie across 1⅛ inch steel cables radiating from the top of the huge steel cylinder in the center of the building.

The cable system makes up the roof's sole support. Pitch to the outside is obtained because cables from the outer concrete rim run both to the upper and lower edges of the huge cylinder in the center (62 feet in diameter and 30 feet deep). The lower network of cables lifts the cylinder high enough so that its upper edge is well above the level of the outer concrete rim. This concrete rim is 54 feet wide and held in the air by two rows of gold-colored steel columns. The translucent section of the roof is 302 feet in diameter, with an opening in the center where the cylinder provides a dramatic open air dome.

Flexible In Wind

A special joint system devised by Kalwall connects each translucent panel to its neighbor, and at appropriate points the panel systems are anchored to the beams. The resulting roof is completely waterproof but not rigid—it will expand and contract under temperature change and is built to stand a rise and fall of two feet under high winds.

The millions of visitors expected to walk through the pavilion before the fair's closing next October will not see the intricate network of cables and beams supporting the roof. A metal mesh suspended from the lower system of roof cables will provide a light, shimmering "ceiling."

Judo Helps To Convert A Bad Boy Into A Good Boy

LIMBER UPPER. . Judo instructor Jerome Mackey and pupil, 9-year-old Robert Francks, engage in Harai-Goshi.

By VIVIAN BROWN
AP Newsfeature Writer

You can make a good boy out of a bad boy. How? Just by getting him interested in sports.

James Mackey has tried that physical therapy. It works, he says.

Mackey's sport is judo. He teaches it in addition to being a concert artist. But other sports also may turn the tables on a young hoodlum, he says.

"A young boy who engages in sports seldom becomes blood thirsty," says Mackey "Activity gives a boy release for his energies. Judo, for instance, develops confidence and poise as it teaches the art of self defense. It toughens a boy, gives him a sense of coordination, helps tone his body. He learns how to fall, and how to work off his tensions as he grapples with his opponent."

"Can Be Dangerous"

Boys go through a stage when they must feel tough, particularly if they are kept down at home, or feel inferior to boys in their community, or can't make the grade in school, he says. They can become dangerous in their efforts to find security.

"Popular misconception confuses judo with jiu jitsu, a rougher, vicious sport," Mackey explains, "so often we have boys who want to enroll in judo classes to learn a quick way to kill, maim, hurt. They can't enroll unless they sign an agreement that their motives are not malicious. Out of curiosity they do, and see it through. Many a boy who walks in with a killer instinct, walks out after he has earned his judo belt with a different idea of how to become important."

Started At Age 11

Mackey began judo at age 11, taught by an old Japanese in his home town of Oklahoma City.

A brilliant pianist, he was encouraged to continue his music by Arturo Rubinstein who heard him play. He came to New York for further study at Rubinstein's suggestion, and at 17 played at Carnegie Hall.

He combines his concert career with judo instruction, teaching a class at a boys school and conducting private lessons. He'd like to see more judo schools in the United States, as an "invaluable conditioner for the minds and bodies of boys."

Artists Study Judo

"The odd part of my varied careers is that some of my concert artist friends now study judo, and my judo pupils become interested in music, a combination that should surely calm the savage beast. You don't have to be tough to study judo," says the soft-spoken youth who hardly looks the type himself.

Judo is a test of skill, the idea being to protect yourself without harming your opponent. One must also be courteous, evincing no temper in combat. Tests of skills are test of a boy. Mackey believes, and if he masters them, there must be qualities of greatness in him to be developed.

McALESTER, Okla. (AP) — Confidence in President Eisenhower's ability kept McAlester attorney Bill Layden from worrying about Russia jumping off to a satellite lead with Sputnik.

"I knew old Ike would get a satellite up there," Layden said after the Explorer started sailing, "even if he had to use an eight iron."

PARENTS ASKED TO ENTER TOTS' WONDERLANDS

By DOROTHY V. WHIPPLE, M.D.
The Associated Press

"Davey, it's time for lunch," calls mother.

Davey plays on, paying not the slightest attention.

"Come on in, little man," says mother again in a few minutes. Davey continues his game, hopping a little further from the kitchen door. Finally mother goes out into the yard.

"Davey, it's lunchtime, let's go in."

Davey looks up sweetly at his mother then hops off from her without saying a word.

"Did you hear me, Davey? It's time for lunch."

"I'm Peter Rabbit and I can't hear people talk," he says, hopping briskly about.

"Oh, then, I'm Mother Rabbit and I've some beautiful carrots for your lunch, hop along."

Davey hops along toward the kitchen door. When he reaches it he stands up and walks in.

"Are the carrots orange?" he asks.

"Let's look and see," says mother and lunch goes along smoothly.

Enters Game Also

Did Davey lie when he said he couldn't hear his mother call him? Obviously he did hear her but lying is a nasty word to use for such untruths. So long as he was Peter Rabbit he really couldn't act like a little boy. Mother entering the game gave him a chance to come out of the game slowly and quite happily. Imaginative play is part of childhood. It takes years before a child learns the difference between the real world and the world of imagination. But he does learn just by growing up. We adults don't teach him, he learns just by living and growing.

Imagination Is Good

Imagination is a good quality. To be able to think and feel beyond the everyday things in front of our noses is the way bright people think up new ideas and make inventions. The world would be badly off if it were not for imagination.

Of course we expect mature people to know what is real and what is just in the mind, but this is a lot to expect of little people. The picture in the mind is just as vivid, sometimes even more so, than the actual real world. They are real to the child. That wonderful ability to imagine, to see and feel from within is a quality to be treasured and nurtured.

Sometimes it's hard for an adult to understand what's going on inside a little fellow, but it's well worth the effort of trying.

Young Moderns

BY VIVIAN BROWN

Exercise your knees and legs, if you'd stand the short-skirt test. Your legs will show, even if you don't adopt the chemise. Newer dresses have short skirts.

"It's not the shape of your legs that is the main consideration, either," says Mala Rubinstein, director of a Fifth Avenue beauty salon. "The way you move your legs is important, and this too may be corrected with practice."

How should you walk for that look of grace and charm?

"Stand some distance from a full length mirror, and walk directly toward your image, watching your legs. The toes should be straight forward, pointed neither out nor in. Feet should be parallel, close together. Improving the shape of your legs and the grace of your walk is so important for current fashions that this should be practiced each day," she says.

Ankle Exercise

It sounds simple, but you'll be amazed to find, perhaps, that you have difficulty in achieving the stance required for your chemise walk.

Exercise That Works

Here's an exercise that Miss Rubinstein's exercise experts have worked out for the knees:

While standing, lift one leg, bend it at the knee and stretch it forward; then in the same bent position move it to the side. This may be done too while lying on the floor, moving the leg up and to the side. This helps to limber the knee joint for an easy, graceful walk, as well as to shape the knee, says Miss Rubinstein.

Here are two cautions: Never stand with your knees in a locked position, pushed back as far as they will go because it will give them an unbecoming half moon shape. Stiff ankles which will cause you to walk more like a duck than a woman should be avoided too, if you'd walk gracefully.

Exercise That Works

Ankles should be flexible and muscles must be strong because current shoe heel fashions allow you such a small point of contact with the floor. You must come down on them firmly if you are not to wobble. Ankle exercises stretch the tendon and reduce or build up if necessary the back of the ankle.

Here is one for slimming and flexibility: Sit on the floor, resting weight on hands in back Lift right leg and rotate feet with circular motion — up, side, down. Then reverse — down, side, up. Repeat with left foot. Do this 10 times, each foot.

To shape the calf if it is too thin: Walk around the room high up on your toes, and then try to do it while in a deep knee bend position.

LOST AND FOUND

CAMP PENDLETON, Calif. (AP)— A Marine Corps hat emblem has been returned to Col. Charles S. Todd 16 years after he lost it when he was taken prisoner by the Japanese on Guam in 1941.

The emblem was found by Maj. R. G. Gilmore, then a platoon leader, when the island was retaken by U. S. forces in 1944. He learned at a social gathering here late in 1947 that the emblem had been lost by Todd and returned it to him.

SCRIBE FINDS FEW LETTERS WORTH READING

By HAL BOYLE

NEW YORK (AP) — "As her favorite nephew, we know you will be deeply distressed to learn of the passing of your late beloved aunt, whom we had the pleasure of serving as attorneys for 50 years.

"Probate of her will disclose that you—."

Who, on receiving a letter that begins in this way, could refrain from reading it all the way through?

Practically no one.

But how often does one get such a really interesting letter as this one? Hardly ever.

Mystify The Young

When you are very young, any letter is exciting and holds the possibility of great mystery. You turn it over and over to prolong the thrill. And when you open it, you are content even if it is only a form letter telling you how to raise guinea pigs for fun and profit, or how to build bigger muscles for $3.95.

But as you grow older and more cynical, the romance tends to disappear from the postman's mailbag. Mankind is flooded daily by an ocean of mail, most of it wasted because most of it is unread.

The art of letter writing has fallen into a period of sad decay. The average man feels he is lucky if, amid a thousand letters sent to him, he finds one that is really worth the trouble of opening.

Mostly Bills, Appeals

The bulk of his mail consists of bills, charity appeals or invitations to buy something he either doesn't want or can't really afford. Most of this he tosses away.

But now and then he gets a letter turned out by someone who really knows how to write. For example, I can't help finish letters that start out as follows:

"The enclosed check is in grateful appreciation of—."

"We have read the manuscript of your stirring novel and are happy to inform you that—."

"Our board of directors, despite the recession, have voted an extra quarterly dividend of—."

"A review of your 1956 tax return has disclosed you overpaid—."

"Remember how I had to fight you to get you to buy that $1 chance on a new 1958 c8onvertible? Well, the winning ticket has been drawn, and guess who—."

"Usually our country club requires a $500 initiation fee for new members, but in your case—."

"Frankly, I thought your son would flunk out the first semester. However, now I must admit—."

"Remember the little redhead who stood you up on that prom date in 1938? Well, all these years my conscience has—."

"The lodge next year has to be led by a guy who has real character as well as drive. Your name came up during—."

"Your wife returned the dress, and a credit of $175 has been made to your—."

"Cocktails will be served at—."

But you don't hardly get that kind of letter any more, do you?

INS Bureau Head Gets GOP Position

HARRISBURG (AP) — John Laget, bureau manager here for International News Service for 20 years, today was appointed to the staff of the Republican State Committee.

The INS bureau here was closed recently with the wire service's merger with United Press.

Paget, 44, is a 1937 graduate of Temple University. He joined the INS staff here the year after his graduation and was appointed bureau manager the same year.

Paget, a former president of Pennsylvania Legislative Correspondents Assn., is current president of the central Pennsylvania chapter of Sigma Delta Chi, the professional journalism fraternity.

George I. Bloom, GOP state chairman, announced his appointment to the state committee staff. The salary was not disclosed.

DONALD F. SHRINER

Donald F. Shriner, son of Mrs. Ethel F. Shriner, Fairfield R. 1, has been named to the teaching staff of Fairfield Joint High School. Shriner is a graduate of Fairfield High School and was graduated from Shippensburg State Teachers College.

He majored in mathematics and minored in physics while in college. Shriner was a member of the Mathematics, Science, Catholic, and Language Clubs and the Future Teachers of America. He also played intramural softball and basketball.

Shriner will begin his teaching assignment in September and will teach mathematics.

LONDON (AP) — Moscow radio has quoted Premier Khrushchev as saying Russia has not rejected President Eisenhower's latest proposal for a meeting of experts in Geneva to discuss ways of checking bans on nuclear weapon testing.

It said Khrushchev told a British peace council delegation that Geneva would be an acceptable place for the meeting since it "would deal with questions of vital concern to the peoples of all countries."

The broadcast said the delegation talked to Khrushchev Tuesday.

NICOSIA, Cyprus (AP) — Turkish Cypriots renewed their mob attack on Greek shops Wednesday and killed a Greek Cypriot.

It was the seventh death in five days of violence. Scores have been injured.

LEIB ELECTED PRESIDENT OF FIRE COMPANY

At a recent meeting of the Abbottstown Fire Co. the following officers were elected:

Archie Leib, president; David Hoke, first vice president; H. A. Leib, second vice president; J. Faber Wildasin, recording secretary; Robert Pagel, membership secretary; Laverne Neff, financial secretary; Harry Crawford, treasurer.

Donald Hafer, fire chief; Lester Spangler, first assistant chief; Gerald Hoffheins, second assistant; Oscar Gruve, truck foreman; Norman Miller, first assistant foreman; Blaine Wildasin, second assistant; Bernard Anthony, chief pipeman; Homer Hafer, first assistant; Larry Leib, second assistant; John Shultz, chief hoseman; Laverne Neff, first assistant; Carl Bolling, second assistant.

Plan For Carnival

Roger Wildasin reported progress on plans for the annual carnival on July 17, 18 and 19. Several rides and final arrangements for prizes will be decided upon in the near future. It was decided to accept the invitation to participate in the parade at Bendersville on August 9 in connection with the county firemen's convention.

A resolution in memory of members, including Jacob Haar who died since the last meeting, was approved.

The auditors' report revealed receipts of $6,015.11 and disbursements of $5,797.49 with a balance of $217.62. Mr. Rodgers reported $1,122.98 paid on fire apparatus and equipment.

Twelve alarms were reported within the last month with a total estimated loss of $14,500. The financial secretary reported receipts of $182 and bills amounting to $99 were approved for payment, including additional accident insurance for firemen.

The next meeting will be held July 1 at 7:30 p.m.

Joseph Walsh, New York City, is visiting at the home of Mr. and Mrs. Ellis Stambaugh.

The Abbottstown 4-H Club girls and their leaders held a regular meeting this week.
